CHAIRMAN'S *message*

“Education is not the learning of facts, but the training of the mind to think.”
– Albert Einstein

Every individual's persona is given shape by his family, religion, and cultural influences. About two decades ago, the first lessons for any child in India would be the passages from the Ramayana or the Mahabharat, instructing one of the morals and codes of conduct to be followed in life. The example of Shri Ram has been handed over to be emulated, for he has been regarded as the perfect man. Then there were the stories from Panchatantra, emphasising the triumph of good over evil. But, with the economic evolution of man over time and the emergence of working couples, families have taken recourse to external agencies for support, like daycare centres to look after their children. With hardly any time to give to the children, the values that a child imbibed while growing up within the family, watching the elders, are getting diluted and subsequently being translated into lessons on dealing with the competitive environment around – to begin in the rat race soon enough so as not to be left behind.

With not being much handed over to them in the form of value systems, the rights and wrongs of youngsters of today are increasingly being determined in the light of the conveniences and particular circumstances. After all, to fix any situation it only takes a distortion of truth here, a little manipulation there, a little moral

bending or a stepping over a head to climb higher. Thus, trapped among various pulls and compulsions and the changing atmosphere, it is difficult, if not impossible, to provide a listing of what comprises ethical conduct under different conditions.

Respecting the ethics of the economic fabric of society and being respectful towards the elders is imperative for the young generation. It is in these complex situations that the individual value systems come into play, for they have to take a call on their own. Albert Schweitzer had it right when he wrote that “A man is truly ethical when he obeys the compulsion to help all life which he is able to assist, and shrinks from injuring anything that lives.” The real secret, however, is to be thankful for all the wonderful things you have in your life and to always seek the hidden advantage in the events that surround you.

Dare to dream and make those dreams into your reality, through your actions and thoughts.

Mr. Tara Chand Shastri
(Founder Chairman)

Mrs. Kusum Shastri
(Vice President, Co-Founder)

MANAGING DIRECTOR'S *message*

“It is the highest duty of parents, teachers and relatives to adorn children with good and sound education, nobility of character, refinement of manner and amiability of temper”
- Swami Dayanand Satyarth Prakash.

In our rapidly changing world, innovation is the key to our long-term survival. An individual who understands the importance of innovation will be able to take measured risks and identify opportunities for improvement. Therefore, the sooner the students are encouraged to explore innovative ways of thinking the better equipped they will be for the future. It will not be an exaggeration to say that Indian school education is passing through an exciting, albeit critical stage as it realigns its course to respond to the changes sweeping the sociocultural, economic, and political milieu of the country. Meerut Public School has been preparing its growing family to meet the challenge of reinventing education. This dynamic process has seen an increase in the value of learning, as part of the nationwide trend towards a 'knowledge society'. Accordingly, the school has taken various initiatives to set new benchmarks in the recent years

To make learning more useful and interactive for current-generation learners, the use of technology in education today is a must and so is the application of the knowledge and online education is a foray into the sphere of digital learning. Although, online education is a far better option because it allows

more freedom and flexibility, but, traditional classroom teaching cannot be replaced as it combines a lot many elements other than the lesson content. The interaction that can ensue in a traditional classroom cannot be replaced in the virtual world. It is this one-to-one exchange that better aids learning. A classroom creates a distinct atmosphere where education acquires an air of seriousness and where new thought is stimulated to yield much more mental output.

The group has firmly held together the Gandhian philosophies of nurturing a sound mind in a sound body and will continue to empower lives in countless ways in the decades to come.

The ultimate purpose is to reduce the social and parental pressure on children and facilitate a joyful learning process that will help each child reach an altitude according to their attitude and aptitude.

PRINCIPAL'S *message*

"I never teach my pupils,
I only provide the condition
in which they can learn."
– Elbert Einstein

25 years ago, I walked into the classroom as a middle school teacher, ambitious and eager to record everything that I thought mattered most to my students i.e. Nouns, Algebra, History, rote memorization etc. Looking back now, I wish I had leveraged the power of brain development through interactive play way methods, interactions between children and adults, brain storming sessions, in and out questioning, expressions through creative writing or various performing arts.

Various studies across hundreds of research institutes show that children learn the best in a happy and stress-free environment when there is a lot of use of play way methods. At Samsara, we use child centric tools of learning. As parents and teachers, we share this universal desire for our children to do well. We pour our energy and resources to ensure that our students use a lot of play to learn. They explore the world around them through nature walk, sport, circle time, quiz, movies etc. We feel accomplished when our students create something new.

The year book is one such testimony of the creativity of our students, parents and teachers. The interactive

playful learning is the real gold standard of education. It takes a lot of time and energy. It doesn't lend itself to a check list or an excel document. Our teachers engage with students and build strong bonds with them. They ensure that they upskill themselves from time to time in order to remain relevant to the changing needs of the students.

I urge our parents to know that their children's learning process requires them to be a part of their educational journey. It can be done in small doses. Instead of buying more toys and scrolling through the phone screens, they may choose to interact with the child. Sometime spent in indulging in simple playful activities would make mundane routine to be more fun. This play time would be a superfood for the child's brain. When it comes to our children's learning, we have to prioritize interactions with them because if we opt out of play and interactions with our children, it will have major implications. Let us provide the condition in which they can learn. This year book is one of the platforms of interactions with our students. Hope you enjoy reading their creative work.

FROM THE PEN OF EDITORS

"Creativity is as important now in education as literacy and we should treat it with the same status." - Sir Ken Robinson

Ms. Shradha, Ms. Anju Chauhan, Ms. Shipra Garg, Ms. Archana Singh, Ms. Reema Sharma, Ms. Shalini Agnihotri, Ms. Rajbeer Kaur, Ms. Hamlata Singh, Ms. Ashi, Ms. Shailly Bhatia, Ms. Neelima Tyagi

Proud to say that we are ready with the latest edition of our school magazine 'The Year Book 2024'. We are honoured to present a culmination of creativity, passion, and an indomitable spirit of our school community. In the intricate tapestry of this magazine, you will find stories that resonate with the triumphs, challenges, and aspirations of our students and educators. It reflects the collective efforts that have shaped this academic year into a mosaic of achievements, growth, and shared experiences.

Our school magazine is not just a collection of articles and images; it is a narrative that weaves together the diverse talents and accomplishments that make our school truly special. From the classroom to the sports field, from the science lab to

the stage, every contribution signifies the dedication and enthusiasm that define our school.

Our contributors, both students and faculty alike, have poured their hearts into creating a magazine that not only entertains but also inspires. From the triumphs in academics to the victories on the sports field, from the stirring notes of our school band to the brushstrokes of our budding artists, every page tells a story of dedication, passion, and the pursuit of excellence.

As we navigate the challenges of the modern world, our school community remains a beacon of hope and inspiration. The magazine is a testament to our commitment to fostering creativity, critical thinking, and a sense of community among our students. It serves as a platform for voices to be heard, talents to be celebrated, and ideas to be shared.

Together, we are writing the story of our school, and with each passing year, the narrative becomes richer, more vibrant, and more inspiring. As we turn the pages of this magazine, let us reflect on the growth, resilience, and moments of joy that have defined our school year. May it serve as a source of inspiration and pride, reminding us of the incredible potential that lies within our community.

"You can't use up creativity. The more you use, the more you have." – Maya Angelou

COORDINATORS'

message

Ms. Shipra Garg, Ms. Vandana V Kaushish, Ms. Jyoti Batra, Dr. Hemlata Singh, Ms. Shikha Yadav

The school plays an instrumental role in elevating students' average performance index through various strategic measures. Firstly, the school establishes a rigorous curriculum that aligns with educational standards and caters to diverse learning styles, ensuring comprehensive subject mastery. Adequate resources, including state-of-the-art facilities, technology, and learning materials, are provided to facilitate effective teaching and learning experiences. Furthermore, the school cultivates a positive and inclusive learning environment that promotes student engagement, motivation, and collaboration. Implementing regular assessments and feedback

mechanisms allows for timely identification of academic challenges, enabling targeted interventions and support systems. Professional development opportunities for educators enhance teaching methodologies and instructional strategies, fostering excellence in classroom instructions. Additionally, extracurricular activities and enrichment programs enrich students' holistic development, complementing their academic endeavours. By prioritising student-centered approaches, continuous improvement, and holistic support systems, the school significantly contributes to enhancing the average performance index and preparing students for future success.

LEGACY THAT INSPIRES OTHERS TO DREAM BIG

CULTURAL SECRETARY'S MESSAGE

I still remember the words of our Principal ma'am, Capt. Praveen Roy when she said, "With great power comes great responsibility." while pinning the prestigious badge on me.

I still feel those words playing in my mind whenever I look at my badge which mentions: 'School Cultural Secretary' 2023-24.'

Samsara-The World Academy has made me who I am today. It gives a feeling of being a leader and develops you as a leader.

School Council, this is the most memorable part of any student's life. You get to experience new things and learn to take responsibility.

I worked hard for all students from all races and social backgrounds. I helped to solve all issues and helped my samsara family in whatever I could do, more suitable for all cultures.

As we've heard "leadership is not about titles, positions or powers. It is about one life influencing another" As a cultural secretary, would like to say that I am not here to boss over you or swank off my powers but to be your friend trying to solve all your problems.

My heartfelt gratitude to my principal, teachers, and last but not least all my friends for casting their votes, giving me this wonderful opportunity to lead from the front, and reposing their faith in me.

I know the journey is not going to be easy but I resolutely believe that when going gets tough, the tough gets going! I hope and pray that all your blessings will always be with me.

SHOBHA RANI
XI-C

SCHOOL CAPTAIN'S MESSAGE

As the school captain for the academic year 2023-24, I embarked on a journey filled with challenges, growth, and memorable experiences. This role allowed me to interact closely with students, teachers, and our esteemed Principal, Capt. Praveen Roy shaping my perspective on leadership and community.

Being the school captain provided me with the unique opportunity to connect with students from various grades, fostering a sense of unity and camaraderie. I helped my mentors in organising events, from spirited pep rallies to collaborative study sessions, aiming to create a vibrant and inclusive atmosphere. Witnessing the diverse talents and passions of my peers was truly inspiring, reinforcing the belief that a united student body is the backbone of any successful educational institution. Interacting with our dedicated teaching staff revealed the true essence of teamwork. Collaborative initiatives were undertaken to bridge the gap between students and teachers, facilitating open communication and understanding. The exchange of ideas and perspectives created a conducive environment for effective learning, highlighting the importance of mutual respect within the school community. Engaging in discussions with our principal proved to be a crucial aspect of my role. These conversations allowed me to gain insights into the school's vision, mission, and future endeavours. It was a privilege to contribute to student perspectives, fostering a sense of collaboration between the student body and the school administration. The emphasis on shared goals reinforced the symbiotic relationship between leadership and the broader school community. Undoubtedly, the role of school captain presented its fair share of challenges. Balancing academic responsibilities with leadership duties required effective time management and resilience. However, these challenges served as valuable learning experiences, shaping my character and reinforcing the importance of adaptability in leadership roles. As I, Siddharth Rawal reflect on my experiences as the school captain in 2023, I am grateful for the growth, connections, and insights gained throughout this transformative journey. The collaborative spirit of students, the dedication of teachers, and the shared vision with the principal have left an indelible mark on my leadership journey. As I pass the baton to future leaders, I am confident that the bonds forged during this memorable year will continue to strengthen the foundation of our school community.

SIDDHARTH RAWAL
XI-B

SCROLL OF HONOUR

“If you do the work, you get rewarded. There are no shortcuts in life.” – Michael Jordan

It is with great pride and joy that Samsara-The World Academy achieved a significant accomplishment. The school is awarded with the prestigious honour of being the Number 1 School in the Best Career Counselling Team Category among CBSE Schools in Uttar Pradesh. Capt. Praveen Roy, the Principal was felicitated with this award by Education Today Group at Crown Plaza, Gurugram on 31st August 2023.

This accolade is a testimony to the hard work, dedication, and relentless efforts put forth by every member of the Samsara team under the able guidance of our Management.

Through our unwavering commitment to providing exceptional career guidance and counselling services, we have made a profound impact on the lives of countless students and their families.

Let us continue to make a positive difference in the lives of students and contribute towards shaping a brighter future.

“Work hard in silence, let success be your noise.”

We are delighted to announce that Samsara-The World Academy has been awarded the 3rd rank in the Greater Noida Co-ed schools category by the Education World India School Ranking 2023-24 on 13th October 2023. This remarkable accomplishment is a testament to the collective effort, support and hard work of students, parents and the entire staff at Samsara.

Capt. Praveen Roy, the Principal expressed her gratitude to the school Management and every student, parents and staff members whose relentless hard work and unwavering commitment have contributed to this prestigious recognition.

She appreciated the tireless efforts and go-getter attitude of Samsara's staff that has helped achieve such commendable success and for setting a benchmark for educational institutions in the Greater Noida area, inspiring others to strive for excellence.

STELLAR PERFORMANCE

"Put your heart, mind, and soul into even your smallest acts. This is the secret of Success" - Swami Sivananda

Samsara-The World Academy proudly announces that Ashutosh Rajput brought laurels by cracking JEE Advance Examination 2023 with AIR 6455. It's the result of consistent & rigorous hard work and strong determination. We all are proud of him. The school Management, the Principal, and the teachers congratulated him and his parents for this outstanding achievement.

Ashutosh Rajput

"Self-belief and hard work will always earn you success."

The admission of our class XII students (Batch of 2023) Prakhar Aditya and Raman Bansal in "Hindu College" & "Hansraj College, University of Delhi" in the BA program is a source of unimaginable joy & a proud moment for the Samsarians. Principal, and all the mentors congratulated them and wished them good luck for their new academic journey.

Raman Bansal

Prakhar Aditya

Exceeding Expectations : Elevating to New Heights

LALITA DHAWAN AWARD

'There are no secrets to success it is the result of preparation, hard work, and learning.'-Collin Powell

Samsara-The World Academy celebrated Lalita Dhawan Scholarship Award on 29th May 2023 to felicitate the meritorious students of class X along with their dedicated teachers.

This award is given by the Management in honour of Ms. Lalita Dhawan who served the MPS group as a teacher for almost 35 long years and left for her heavenly abode in 2017. This scholarship aims to promote quality education.

The school also acknowledged the hard work of dedicated teachers who nurtured meritorious students with their knowledge & skills.

The proud parents were overwhelmed to see their ward's achievements & gave their heartfelt thanks to the principal & teachers for giving them words the right direction. The students were also overjoyed to receive the certificate of excellence & cash prize which motivated them to achieve their future goals.

Capt. Praveen Roy, the Principal congratulated them for their remarkable accomplishment and extended best wishes for their future endeavours.

SCHOLARS' DAY I to VIII

"Look at the sky, we are not alone. The whole universe is friendly to us and conspires only to give the best to those who dream and work." - Dr. APJ Abdul Kalam

School is all about Scholastic Quest and Excellence. Samsara-The World Academy, Greater Noida, had the proud moment to felicitate our Scholars for the Academic Year 2022-23, with their parents, for the credible achievements of the final results on Monday, 10 April 2023.

As a token of our appreciation, the scholars were awarded Certificates of Merit and books. The Roll of Honour was given to the following students who were the toppers from classes I to VIII. The quest for erudition must continue to grow :

1. Manvik Singh from Grade 1 (95.3%)
2. Ritagya Johri from Grade 2 (99.46%)
3. Daksh Vaishnav from Grade 3 (97.3%)
4. Kushagra Rana from Grade 4 (97.4%)
5. Kinjal Karan from Grade 5 (97.17%)
6. Arjendra Dev Singh from Grade 6 (97%)
7. Ananya Peelwan from Grade 7 (92%)
8. Akanksha Singh from Grade 8 (98%)

In the end, Capt. Praveen Roy, the Principal, congratulated the parents for the achievements of their wards and thanked them for their continued support.

Recognizing the Best and Brightest

SCHOLARS' DAY

Samsara-The World Academy conducted "Scholars' Day" on Saturday 25 March 2023, where the high achievers of IX & XI graders of session-2022-23 were felicitated with a token of appreciation amidst the proud parents & their class mates in the morning assembly.

Principal, Capt. Praveen Roy, while appreciating the achievers, exhorted them to continue to work hard and remain dedicated.

Principal, also took this opportunity to motivate all teachers and students to remain steadfast.

Celebrating the Pursuit of Knowledge and the Brilliance of Scholars

INTER-SCHOOL COMPETITIONS

Attire Spectra

“All our dreams can come true if we have the courage to pursue them.”

It is a moment of immense pride that Samsarians secured 1st position in "A Fashion Upcycling Contest - Celebrating Sustainability" organised by Ursuline Convent School, on 28th August 2023. More than 20 renowned schools from Greater Noida and NCR participated in this Inter-School Attire Spectra Competition.

This contest aimed to promote sustainable fashion and showcase how waste materials can be creatively repurposed to create stylish and innovative garments. The fashion upcycling contest witnessed participation from students who were passionate about fashion and sustainability. The participants were tasked with creating fashion pieces using waste materials such as

discarded fabrics, plastics, paper, and other recycleable materials.

Gargi, a student of class VIII B, prepared an elegant dress made from repurposed old fabrics to avant-garde pieces created with recycled plastic and newspapers with the help of her mentor Ms. Shalini Agnihotri. Her dress highlighted the theme of G-20: A Global Collaboration and Progress.

Capt. Praveen Roy, the Principal, congratulated the winner along with her mentor and felicitated her with a certificate and trophy in the morning assembly.

Unleashing Talent; Passion Meets Performance

Dance

In a triumphant display of skill, dedication, and passion for the art of Indian Dance, our school Samsara-The World Academy clinched the Third Position in an Interschool 'Indian Dance Competition' organised by Greater Noida World School, Greater Noida on 11th August, 2023. Dancers from across the region participated in the competition. Our students from classes VI to VIII presented awe-inspiring performances to celebrate the rich tapestry of Indian culture. The school community congratulated the students to continue the work of excellence.

Silent Saga Dance

“Winning isn't getting ahead of others, it is getting ahead of yourself.” - Roger Staubach

Samsara- The World Academy feels immensely proud for our students of classes VI to VIII for bagging 3rd position in the "Inter School Silent Saga Dance" Competition organised by Aster Public School, Gr. Noida held on 4th Nov, 2023 where many other renowned schools of NCR also participated.

'Silent Saga' is a remarkable event that celebrates the art of storytelling through the medium of dance. Our students presented their dance act on the theme 'Usage of Mobile Phones by Youngsters'. The talented Samsarians who showed their knack were Maurya Vardhan (class-8) Yuvi Tomar (class-7), Anmol Rao (class-7), Abeer (class-8), Mayank Khari (class-8), Garishth Kumar (class-8), Adi Adhiraj (class-7) and Divyansh Singh of class VII.

Through this event, students not only enriched their dance skills but also learned the invaluable lesson that sometimes the most profound stories are the ones told in silence.

Capt. Praveen Roy, the Principal congratulated the winners along with the mentor and encouraged them to participate more in such competitions to enhance their skills.

Uniting Schools in Friendly Rivalry

Yoga Championship

Students of Samsara-The World Academy participated in Inter-School Yoga Championship hosted by Delhi World Public School, Greater Noida on 6 Nov, 2023, where an array of talented participants of various schools participated, each showcasing their expertise in various yoga asanas thus displaying an awe-inspiring physical and mental prowess, with Samsarians emerging as the undisputed champion.

Our school's team demonstrated exceptional skills, dedication, and unwavering focus, securing the top position amidst fierce competition.

The students who grabbed the prizes were:

U-8 category –

1. Ridaansh Tiwari 2A – Gold medal
2. Akhand Pratap Singh 2B – Gold medal
3. Kayarah 1A – Silver medal

U-10 category –

1. Parwas Bhati 3A – Gold medal
2. Shubham Pujari 3A – Gold medal

U-12 category –

1. Divisha 5B – Gold medal
2. Rohit Pujari 5A – Gold medal
3. Darshit 7A – Bronze medal

U-14 category –

1. Vatsalya Shukla 7A – Gold medal

Our school's resounding victory in the Inter-School Yoga Competition serves as a testament to the dedication, perseverance and skill of our students and instructors.

This triumph not only highlights our school's commitment to promoting holistic development but also emphasises the profound impact of yoga in nurturing both physical and mental well-being.

Kudos to the students!

A Harmony of Strength and Serenity in the Yoga

Skating Motivational Competition

'Champions are not made in playgrounds. Champions are made from something they have deep inside them- a desire, a dream and a vision.'

Roller Skating is a sport, an art form, a lifestyle, and a culture. It is the perfect way to combine fitness with fun. It develops a fitness habit in these ages. More than just a competition, this event is a celebration of resilience, personal growth, and the unstoppable spirit that propels skaters to push boundaries.

The recently concluded "Motivational Roller-Skating Championship at Shaheed Vijay Pathik Singh Stadium, Gr.

Noida was organised by the Uttar Pradesh Roller Sports Association on 03 December 23. Our students Darshit Palawat of class VII bagged first position and Harsh Rawal of class VI secured second position under the age group of 11-14 years.

The event is not just about competition; it's about building a supportive community that encourages everyone to reach new heights.

The school congratulates the winners and the mentor who encouraged them to participate in the event to enhance their talents.

Gliding to Greatness

Samsara's students emerged as the undisputed champions at the recently concluded Inter-School Yoga Competition held on 11th and 12th October at JBM Global School Noida, which had brought together an array of talented participants, each showcasing their expertise in various yoga disciplines.

Samsara's team demonstrated exceptional skill, dedication, and unwavering focus, securing the top position amidst fierce competition.

U 10 category - Ridaansh Tiwari won gold and Ansh Panwar won the bronze medal.

U 14 category - Vatsalya Shukla won gold and Rohit Pujari

won bronze medal.

Our school's resounding victory in the Inter-School Yoga Competition serves as a testament to the dedication, perseverance, and skill of our students and teachers.

This triumph not only highlights our school's commitment to promoting holistic development but also emphasizes the profound impact of yoga in nurturing both physical and mental well-being.

Capt. Praveen Roy the Principal congratulated the winners and encouraged our team throughout this incredible journey. This remarkable achievement will undoubtedly serve as a source of inspiration

Serenity Meets Strength

SPORTING TRIUMPHS

A YEAR OF RECORD BREAKING

3x3 Basketball Tournament

Samsara-The World Academy, feels elated to share that Samsarians brought laurels by winning 2nd position (U-12) in Fly Fit Sports in the 3x3 Basketball Tournament held at Pathway School, Sector 100 Noida. A total of 16 schools participated in the competition. Our talented student Krishnan Singh of Class 8th was felicitated with the 'Most Valuable Player' award.

All I do is Win, Win, Win

AWHO Competition

It's a matter of immense pride for Samsara The World Academy, as a young warriors won medals and winning positions in the U-12 3x3 Basketball Tournament on 1st October, 2023 organised by India Active Sports at AWHO Greater Noida. The team emerged victorious in all their matches, showcasing their exceptional skills and teamwork.

In the first match, Samsara faced off against Jaypee School and emerged triumphant with a score of 9-6. Continuing their winning streak, Samsara faced Spartan Ballers in the second match. With their exceptional defense and accurate shooting, Samsara defeated Spartan Ballers with a score of 8-4.

In the third match, Samsara clashed with Buzzer Beater. Samsara's relentless efforts and outstanding teamwork led them to victory, with a final score of 7-3.

Advancing to the semi-finals, Samsara faced a tough challenge against the India Active Academy. However, their determination and exceptional skills helped them secure an impressive 8-3 victory.

Reaching the final, Samsara faced AWHO in a highly anticipated match. The Samsara players showcased their exceptional basketball skills, dominating the court and leaving no room for their opponents. With an incredible score of 12-2, Samsara emerged as the champions of the U-12 3x3 Basketball Tournament.

The entire team displayed exceptional sportsmanship and talent throughout the tournament. Capt. Praveen Roy, the Principal, congratulated the team and their coach for their well-deserved victory. She blessed them the best wishes for their future endeavours.

Champion's Mindset ; Victory in Sight

Basketball Tournament

Samsara -The World Academy tasted a Triumphant Victory again in the Elite 3x3 Basketball Tournament at Delhi World Public School, Greater Noida on 10th September 2023.

Students showcased an electrifying showdown, by winning basketball titans defeating RBS by 8/4. More than 10 schools participated from Greater Noida. The arena erupted in celebration, showcasing the essence of

sportsmanship and teamwork.

This remarkable win is a testament to dedication and determination, reminding us that the beauty of basketball isn't just about the final score, but the unforgettable moments and indomitable spirit of competition that make it a truly special sport.

Capt. Praveen Roy, the Principal congratulated the champions for their future endeavours.

Push Through the Pain, Teach for the Glory

U-12 Basketball Tournament

Patience, persistence and perspiration make an unbeatable combination for success". – Napoleon Hill

We are delighted to announce that our young warriors of Samsara-The World Academy have achieved a remarkable feat in the recent 3x3 Basketball Tournament on 20th August 2023, organized by JSSA Sports Academy, Ghaziabad, in collaboration with Flyfit Sports.

Under the leadership of their coach, our Under-12 Boys team secured 1st Position in the tournament held on 20th August 2023. This accomplishment reflects their dedication, teamwork, and exceptional skills on the basketball court.

We are especially proud to share that Krishan Singh, a student of Class 8th A, has been awarded the prestigious Player of the Tournament Award. This accolade recognizes his outstanding performance, determination, and sportsmanship throughout the event.

On behalf of the entire school community, we extend our heartfelt congratulations to the winning team, their mentor, and Krishan Singh. Their hard work and passion have brought them this well-deserved success, and they serve as an inspiration to their peers.

It is a proud moment for Samsara The World Academy, and we look forward to witnessing more success stories in the future.

Dream Big, Play Hard

District Football Championship

Champions keep playing until they get it right.”

Samsara- The World Academy feels proud and delighted to share that Arnav Thakur of Class XIC and Ayush Chaudhary of Class IX B are selected for the Gautam Buddha Nagar Football Team to represent the district in zonal rounds under Football Association of Uttar Pradesh.

We wish them best of luck for the upcoming zonal match.

Budding Sportstars

School Handball Championship (Boys & Girls) 2023

Samsara-The World Academy feels immensely proud that the school won 24 medals and 3 trophies.

In Inter School Handball Championship (Boys & Girls) 2023 which was organised by Handball Association, at Dhoom Manikpur NCP college, Gautam Buddh Nagar on 29th and 30th April 2023. 28 teams participated in the event.

Samsara's Under-14 girls team won First position. Under-17 girls teams secured Second position. Under-17 boys team bagged Second runner up trophy.

Four students were awarded 'Best Player of the Match'. Six players were awarded 'Attractive Player'. Megha Nagar got 'Best Player' award in the category of under-14 girls handball with cash prize of Rs. 1100/-.

The Upcoming Champions Brimming with Confidence

District Roll-Ball Championship

Samsara-The World Academy feels elated to share that students of our school participated in the District Roll Ball Championship organised by Delhi World Public School KP-3 Greater Noida on 21st and 22nd of August.

The Roll Ball Championship witnessed remarkable displays of athleticism and teamwork, culminating in victory for exceptional teams. The event's intense competition showcased players' skilful manoeuvres, while sportsmanship prevailed throughout. The tightly contested finals highlighted the dedication and strategic prowess of the participants. The Samsara's U-14 boys category, emerged as champions, with U-14 girls and U-11 boys securing Third position.

The Roll Ball Championship not only showcased the exceptional skills of the participants but also highlighted the power of sports in bringing people together and fostering a sense of unity.

The school applauded the victory of the students and wished them best in their future endeavours

All I do is Win, Win, Win

Karate Championship

It's a matter of great pride for Samsarians that Pratusha Singh of class VI added a feather in the cap of Samsara The World Academy, by securing a Silver medal in the Kata event and Kumite- Bronze medal in the 3rd K. K. F. I Cup Open Karate Championship held in Noida on 23rd July 2023. Capt. Praveen Roy, the Principal felicitated her in the morning assembly with a medal & certificate. She congratulated her and her mentor.

Our march, in our Quest for learning and, "To Greater Height", continues with full vigour.

Win and Rise

INTER SCHOOL- POEM SPECTRA

“Poetry is simply the most beautiful, impressive, and widely effective mode of saying things.” - Matthew Arnold

Samsara -The World Academy organised "An Inter-School Slam Poetry Competition" on 22nd July, 2023. The event was inaugurated by the honorable judges and the Principal, Capt. Praveen Roy by kindling the lamp of knowledge to pray to the deity Saraswati. The school students presented the Saraswati Vandana and welcome song. Capt. Praveen Roy, the Principal welcomed the special guests & Jury members - Mr. Samudra Bagchi, FELT Consultant, Ms. Priyanka Jain, Chairperson of Vedam Playschool, Col A. K. Jha an army veteran, and Ms. Deepa Behl, CBSE Resource Person.

More than 30 schools of U.P participated in this competition. All Participants enthusiastically participated

in the competition as they got an opportunity to exhibit their talent and confidence. The competition inspired the young poets to come forward and recite on stage. The students came up with different poems on different themes, and they recited them with great fondness and zeal. They enjoyed the perfection of expression, thoughts, emotions, rhythm, and music of words.

Students were judged on the parameters like confidence, voice modulation, memorization, and overall presentation. The young poets enthralled the audience with their articulation and memory skills while reciting poems. It was a splendid opportunity for them to gain confidence through stage exposure. Everyone was delighted after seeing their pleasing performances. The judges appreciated and applauded the performances of the participants.

Capt. Praveen Roy, the Principal congratulated the winners.

A Symphony of Words to Unveil Voices

PHILANTHROPICAL INITIATIVES

"A generous heart will always find a way to give. No act of kindness is ever wasted." Anonymous

To inculcate the values of social responsibility, compassion, empathy and joy of sharing, Samsara-The World Academy organised a drive to donate stationery and food items to the students of Apna School and Pathshala on 9th November 2023. Apna School and Pathshala are NGOs that work to provide education to children belonging to under privileged section of our society.

We are glad to associate with them. Our school Captain, Siddharth Rawal along with Students' Council actively participated with full zeal and enthusiasm towards the drive and gave a message that by helping others they empower themselves and make the needy feel happy and more fulfilled.

Capt. Praveen Roy the Principal expressed her gratitude towards the students for making everyone's Diwali a fruitful one.

Our Commitment to Positive Impact

INVESTITURE CEREMONY

The 'Investiture Ceremony' of Samsara -The World Academy for the academic session 2023-24, was conducted on 2nd May 2023 . The event was presided over by the Chief Guest Gr. Capt. Gajendra Singh VSM and Management member Dr Ameena Amanat.

The ceremony commenced with the lighting of the lamp followed by Saraswati Vandana. The elected leaders were conferred with badges and sashes by the chief-guest. The student council took the pledge. Gr.Capt. Gajendra Singh & Management member Dr. Ameena Amanat congratulated them. The event concluded with the National Anthem.

Leading with Brilliance, Dedication and Determination

DARE DEVILS ADVENTURE CAMP

“Life is either a daring adventure or nothing.” -Hellen Keller

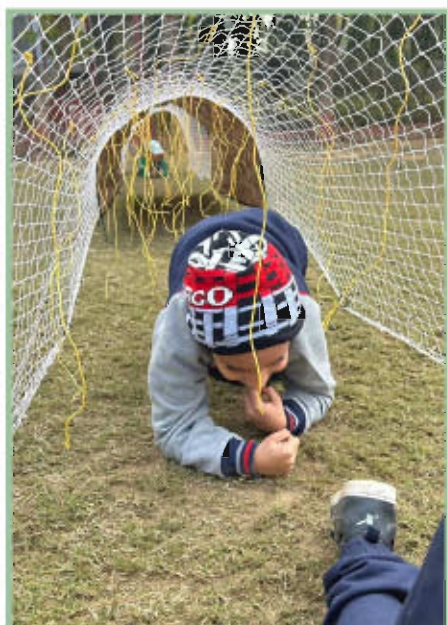

An adventure is something challenging, that takes us out of our ordinary lives and forces us to try new things. Samsara, The World Academy in collaboration with the Rocksport hosted a activity camp at the school campus for the students of classes Nursery- XII.

The camp offered a thrilling yet safe experience for the students as they participated in a wide range of gushing activities. The camp focused on age-appropriate activities that fostered team spirit, cognitive motor skills, problem-solving

skills, and self-confidence.

The Camp supervised by the teachers and Rocksport members, various adventures like: Wall Climbing, Zip Lining, Hamster Wheel, Commando Net, Laser Beam, Tug of War and many team games were a part of the fun-filled day. With safety as a top priority, the camp ensured that all participants were equipped with necessary safety gears and received proper training before engaging in any activity.

Indeed, the Rocksport programme was highly thrilling and motivating. The students enjoyed to their fullest.

Scaling New Heights, Where The Earth Meets The Sky

Climb, Conquer and Repeat

SUMMER CAMP-FUN IN SUN

Summer camps are organised away from home, making children self-reliable. They help in developing the overall personality of the child.

Samsara- The World Academy organised the 'Culmination Ceremony' of Summer Camp on 30th May, 2023. Students of classes Nursery to VIII actively participated in the event. They showcased their skills and competencies which they acquired and honed during the summer camp.

Students had enrolled themselves in different activities

according to their interests.

They were excited to do science experiments, have fun with maths, flameless cooking, dance, mask making etc. These were the center of attraction for them as they got a platform to show their hidden talents.

Parents were amazed to see the knacks of their little champions. This summer camp proved to be a joyful learning experience which would help the students to become a better version of themselves.

Unplug, Explore, Grow

Educating Mind & Heart

E-WASTE REDUCTION CAMPAIGN

Transforming Waste into Resources

“Recycling things is like magic that turns ordinary things into extraordinary.”

The exponential growth in technological advancements has led to an increased generation of electronic waste (e-waste) globally. The Central Board of Secondary Education (CBSE) recognises the importance of addressing this issue and has initiated a comprehensive E-Waste Reduction Campaign. This campaign aims to raise awareness among students, educators, and the community about the environmental impact of e-waste and promote responsible disposal practices.

Under this campaign the Art Club students of classes VI-VIII displayed their creative art and craft ideas by making book covers with discarded keys of the keyboard and 3-D wall art with the use of the mouse.

The creativity displayed by the students was mesmerising. This activity promoted artistic fervour in our leaders of tomorrow.

By engaging in these activities, students will not only contribute to reducing e-waste but also developed a lifelong commitment to sustainable practices, making them responsible global citizens.

Recycle Today, Save Tomorrow

HOUSE REPORTS

ARISTOTLE HOUSE

"We are what we repeatedly do. Excellence is not an act but a habit." – Aristotle

As said by Aristotle above, it means excellence isn't a thing you do one time. It's a way of living.

The Greek philosopher Aristotle made significant and lasting contributions to nearly every aspect of human knowledge, from logic to biology, to ethics and aesthetics. Here in Samsara, we Aristotelians are on the path of developing a formal system for logic and reasoning.

The green colour of the house symbolises that we all are down to earth. It represents new beginnings and growth. It also signifies renewal and abundance.

Aristotelians not only participated in various competitions with great enthusiasm but also won some of them.

Aristotle House stood first in the Interhouse Football Competition. In the Interhouse Basketball tournament, Our House was the First runner-up. In the Interhouse Skating competition, our house got the second position. In the Interhouse karate championship, Aristotle House got the second position

They always show their spontaneity in all activities, and competitions and are eager to be part of more such kinds of activities and competitions in the coming year.

In the coming session, we the students and teachers of Aristotle House will be more dedicated and devoted to adding more feathers to the cap.

Ms. Shifali Sharma
House Mistress

ARISTOTLE HOUSE

SHAKESPEARE HOUSE

"Our doubts are traitors and make us lose the good we might win by fearing attempt" _

-Mr. William Shakespeare

As it was rightly said by Mr. William Shakespeare that when we start to second guess ourselves due to our fears, then that second guess comes out as a traitor and a loss of an opportunity to do something that could have been great.

Shakespeare was a great writer in the history of English Literature. He contributed a lot to the literature by his playwrights and poems.

We, the Shakespeareans are on our way to spreading love and positivity. Our house colour 'Red' symbolises passion, love, and courage. It represents the courage to try new things.

Shakespeare House had been very actively

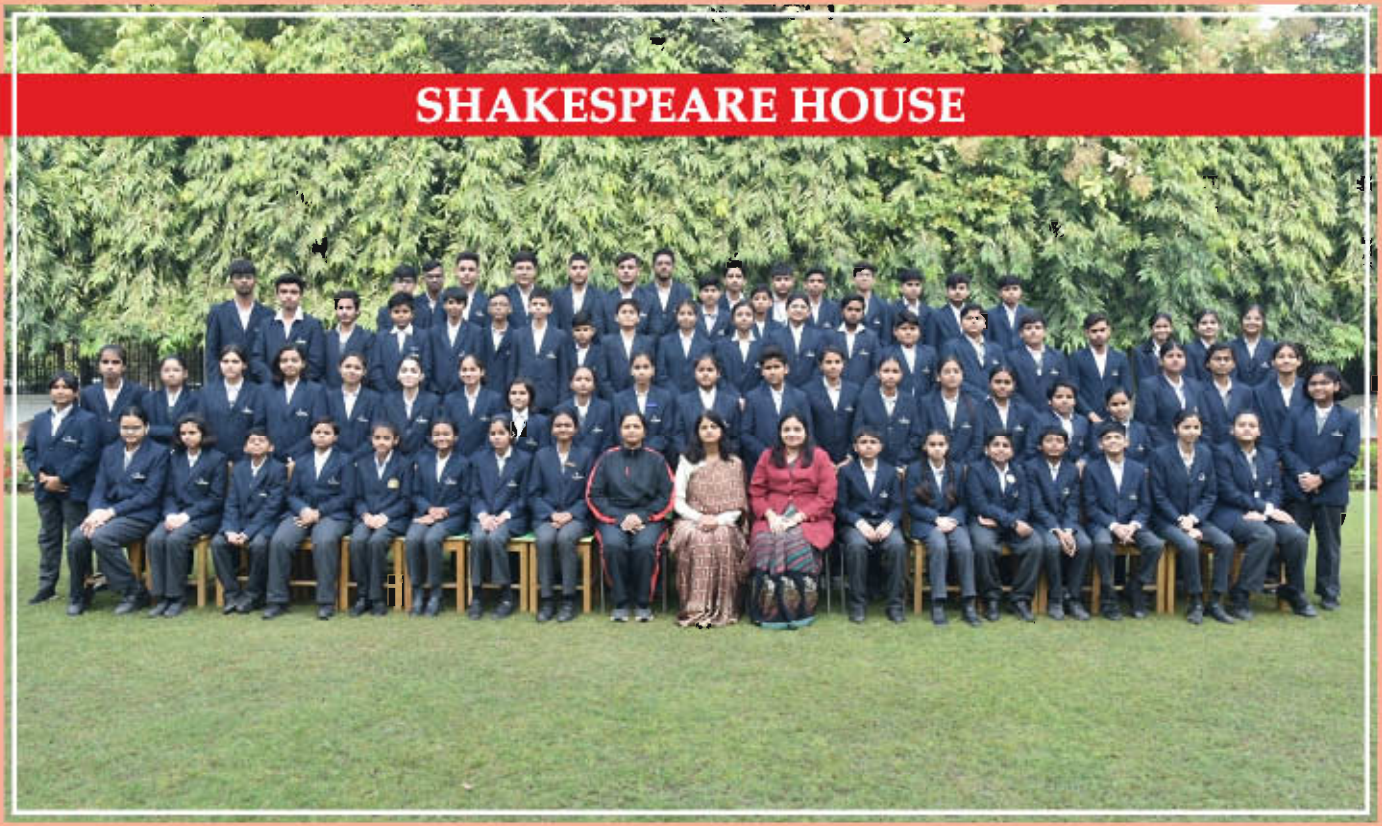

participating in various competitions with zealousness and also won some of them.

Shakespeare House stood 1st in the Interhouse Karate Competition and was at the 2nd position in the Interhouse Basketball Competition.

We, the Shakespeareans promise ourselves to always keep the sports spirit alive in ourselves and try our best to be better than yesterday every day.

Ms. Archana Singh
House Mistress

SHAKESPEARE HOUSE

BEETHOVEN HOUSE

Motto – “Team work makes the dream work”

Beethoven champions liberty, equality, and brotherhood, challenging societal norms, and believes in overcoming adversity. In the realm of Samsara, Beethovians find glory in resilience, represented by the blue hues embodying serenity, stability, inspiration, and wisdom.

As members of Beethoven House, we embrace the courage to undertake challenges and relish the rewards of our efforts. Guided by the principles of valour, diligence, and determination, we proudly carry a wealth of trophies and certificates. Our house clinched the top spot in the Inter House Football Match, Inter House Poem Recitation Competition, and Inter House Yoga Competition. Through

collective teamwork and relentless dedication, we have excelled across various domains.

We extend our heartfelt gratitude to the House teachers and fellow students for their unwavering support and collaboration. Congratulations to all the winners for their remarkable contributions. As we look ahead to the next academic year, we aspire to approach every competition with heightened vigour, enthusiasm, and camaraderie. Together, we aim to surpass our achievements and forge new paths of success.

**House Master
Mithilesh Choudhary**

BEETHOVEN HOUSE

TAGORE HOUSE

Motto: "Education is not the filling of a pail, but the lighting of a fire."

**You cannot cross the sea merely by standing and staring at the water"~
Rabindranath Tagore**

We Tagorians in Samsara proceed with the philosophy of Rabindranath Tagore and believe in humanism and idealism. We believe in growing together.

The color of Tagore's house is Yellow. It symbolises happiness, hope, and spontaneity. It's associated with happiness and sunshine. The students of Tagore participated in all the

competitions with great enthusiasm and sportsman spirit. This session our students won 1st position in the Inter House Yoga competition. The girls of Tagore House made us proud by winning the Inter-House Basketball championship.

We, the teachers and students of Tagore House are looking forward to further accolades in the coming session.

**Ms. Pramila Panda
House Mistress**

TAGORE HOUSE

INTER HOUSE COMPETITIONS

Inter House Karate Competition

'Karate is a martial art that teaches discipline, respect, and concentration'.

The school conducted an Inter-house Karate Competition on 29th November 2023 at the school premises. Students of classes III to V from all four houses demonstrated their skills and abilities during the event.

Shakespeare House clinched the First position, as the students

showed their full energy and precision in the competition.

Judges praised the participants for their smart moves, swift punches and brisk defense.

The event not only celebrated the talent of karate but also encouraged a sense of promoting both physical and mental well-being through this martial art.

Skill is Earned, Not Given

Inter House Skating Competition

Skating is an amazing form of self-expression. It's like my soul at play. – Josee Chouinard

Skating is a thrilling and exciting sport that not only promotes physical fitness but also enhances balance and coordination.

To foster these skills among the young learners, Samsara- The World Academy hosted an Inter-house Skating Competition for the talented skaters of classes 1 & 2 on 29th November 23 in the school premises.

Winners of the Competition:

- Akhand Pratap Singh-Tagore House (1st)
- Akshaj Parashar-Aristotle House(2nd)
- Jai Vardhan- Beethoven House(3rd)
- Parth Bhati- Shakespeare House (4th)

Congratulations to all the winners and a big round of applause for everyone who participated!

Sweat Today, Shine Tomorrow

CELEBRATIONS AT SAMSARA

Diwali Celebration

On the occasion of Diwali, the festival of lights, a special assembly was conducted with fervour and joy by the students of class XI- C. The event commenced with a heartfelt prayer, invoking blessings from the Almighty for prosperity and happiness. Students presented a skit on 'Safe Diwali' and sang melodious songs. The significance of Diwali was highlighted through, Rangoli Making, Diya Decoration, and Toran Making activities emphasising the tradition of India. The

school was illuminated with the glow of diyas and lanterns, symbolising the victory of light over darkness. Capt. Praveen Roy, the Principal encouraged everyone to show kindness, compassion, and feeling of respect and togetherness. The Diwali celebration in the assembly served as a reminder of the rich cultural heritage and values that bind us together as a community.

Diwali : Celebration of Lights, Love and Togetherness

Environment Day

"The world is not to be put in order. The world is in order. It is for us to put ourselves in unison with this order."- Henry Miller

Samsara -The World Academy organised an 'Awareness Activity' on 5th June 2023, on the occasion of Environment Day.

Students participated in writing activity in which they expressed their ideas about the environment conservation and ways to prevent climate change via Carbon Credits. The teachers and students also

planted saplings in the school campus to develop pollution-free and green landscapes. They were also escorted by the teachers for a nature walk to gain knowledge of a variety of leaves, shrubs, stems, trees, etc. Students participated with great zeal in group discussion.

The teachers emphasised the need to plant more & more trees and use cloth and paper bags to save the environment.

Together For A Greener Future

Founder's Day •

To mark the significance of the Founder's Day of our school, Samsara The World Academy performed a sacred 'Hawan Ceremony' to seek the blessings of the almighty on 10th April, 2023.

A day to honour our beloved founders, Shri Tara Chand Shastri & Smt. Kusum Shastri Ji for their vision, enthusiasm, and commitment to build the school as a heritage and temple of knowledge. May God always shower his blessings upon our school to continue its legacy with much pride & honour!

A Day of Reflect, Memory and Celebrate

Gandhi Jayanti

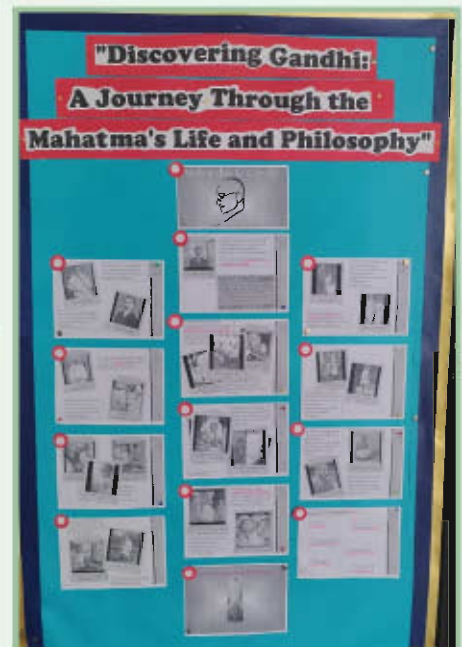

Samsara-The World Academy celebrated Gandhi Jayanti by conducting a plethora of activities at the school campus.

The celebration began with a special morning assembly dedicated to Mahatma Gandhi. It included devotional songs, speeches, quiz recitations of his favourite bhajans, and poems. A Photo Gallery was organised within the school premises, showcasing photographs, quotes, and important milestones from Gandhi's life.

Students also actively participated in the cleanliness drive

taking the initiative of 'Swachh Bharat Abhiyan'. They engaged themselves in activities like cleaning the classrooms and school campus, emphasising the importance of cleanliness as a personal responsibility.

By celebrating Gandhi Jayanti, students strive to nurture compassion, responsibility, and socially awareness. They become individuals who can contribute positively to society and carry forward the legacy of our beloved Mahatma Gandhi.

Gandhi Jayanti : Embracing Peace, Tolerance, Non-violence

Hindi Diwas

“Freedom is incomplete without the rich repertoire of a language.”

Samsara-The World Academy celebrated Hindi Diwas on 14th September 2023 by organising a special assembly.

This day commemorates the adoption of Hindi as the official language of India on September 14, 1949.

With a special assembly, students participated in poem

recitation competition, and cultural performances to promote Hindi Literature, poetry, and music. Students and teachers actively participated in these activities to showcase their love for the language and to further their understanding of its significance.

We continue to respect our language as it makes us unique and is our identity.

Hindi Diwas : Our Language, Our Identity

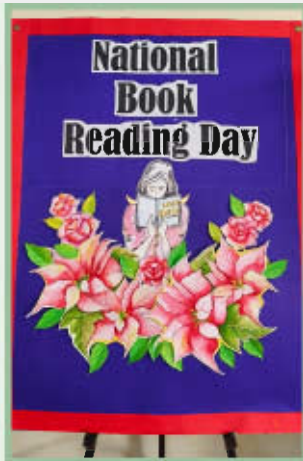

National Reading Day

“Reading is a consideration. All books talk but a good book listens as well”

Samsara-The World Academy celebrated 'National Reading Day' by sharing age appropriate best sellers books list with students for reading. This was followed by their reviews submission. An online session was also organised on 19th June, 2023 for grade 9th & 10th students with Mr. Pradeep Kumar Jain (Linguistics Educationist & Ex committee member of NCERT). Mr. Jain emphasised on reading book as it is an important aspect of the education system that every student

should engage in both at school and home. He said that people who read books have developed the better understanding of life. They are better acquainted with the topics of the world, culture and geographical areas. He guided the students to inculcate habit of reading to extend their knowledge and vocabulary.

Students participated with great interest and asked queries to the resource person. At last but not the least, vice captain of the school presented vote of thanks for the knowledgeable session.

A Perfect Day : A Good Book and No Interruptions

Sawan Shivratri

“Lord Shiva is a symbol, a possibility and a source of tools to transform yourself and create your own life.”

On the auspicious occasion of Shivratri, Samsara - The World Academy conducted a special morning assembly on 14th July 2023.

The assembly was conducted by the students of class V.

They presented motivational thought followed by a speech in English which emphasised the significance of Shivratri. An illuminating speech in Hindi was delivered to guide everyone about the importance of 'Kavar'. At the end, a group dance was also performed by the students.

The teachers also talked with students about the importance of having faith in the Almighty.

Om Namah Shivaya : Purify Your Soul

Grand Parents' Day

"If children are the rainbow of life, then grandchildren are the pot of gold."-Anonymous

Samsara The World Academy organised a storytelling session for the classes Nursery, KG, and UKG on the occasion of Grandparents' Day on 8 Sep, 2023.

Mr. Ramesh Verma and Mrs. Vimla Verma, grandparents of a Samsarian, were welcomed by the tiny tots. They shared a special bond with children by interacting with them & narrating a story.

They guided that grandparents are truly a blessing in one's life & are the support system of a family. They create blissful memories and a deep bond—things that every child should experience while growing up.

They narrated a story based on the moral – 'Strength of Unity.' It aims to bring back the age-old tradition of storytelling by grandparents!

The school thanked them for giving their valuable time and guidance to our students.

Neither Spring, Nor Summer Has Such Grace

Teachers' Day Celebration

Samsara-The World Academy celebrated 'Teachers' Day' on 5th September, 2023 to honour and appreciate the hard work of teachers.

The day commenced with a special assembly conducted by the students. The assembly was dedicated to Dr. Radhakrishnan, a great Politician, Philosopher, and Statesman. Students paid homage to Dr. Radhakrishnan with a floral tribute at his portrait.

The School Vice Captain, delivered an inspiring speech highlighting the significance of Teachers' Day and the importance of teachers in shaping the future of our nation.

The students put up various cultural performances, including

dance, drama, and poetry recitations, centered around the theme of education and the role of teachers in molding young minds. These performances were both entertaining and thought-provoking.

Students gave Award Cards and tokens of appreciation to their teachers as a gesture of gratitude. The teachers were visibly touched by these heartfelt gestures.

The event concluded with a speech by Capt. Praveen Roy the Principal emphasising the importance of teachers in shaping the future of our nation and encouraging students to respect and learn from their mentors.

Love, Respect and Gratitude

SPECIAL ASSEMBLIES

Ambedkar Jayanti

“Equality may be an affection but none that one must accept it as a governing principle”-B.R. Ambedkar

Samsara -The World Academy, celebrated the birth anniversary of Dr. B.R. Ambedkar, the architect of our Constitution on 18th April, 2023 with full zeal and enthusiasm.

The school paid tribute by conducting a special assembly. The students delivered speeches and enactments on the Indian constitution. Captain Praveen Roy, the Principal motivated the students to follow the constitutional duties as espoused and imbibe his values in their lives to achieve their aim and contribute to Society.

Liberty, Equality, Fraternity

Buddh Purnima

Samsara-The World Academy celebrated Buddh Purnima on 4th May, 2023. Middle school students conducted a special assembly to pay tribute to Gautam Buddha. Students presented enactment on the life history of Buddha.

Capt. Praveen Roy, the Principal guided students to follow the foot prints of Gautam Buddha.

Remembering Lord Buddha's Teachings

Durga Pooja

'The divine mother is the embodiment of courage, strength, and compassion'.

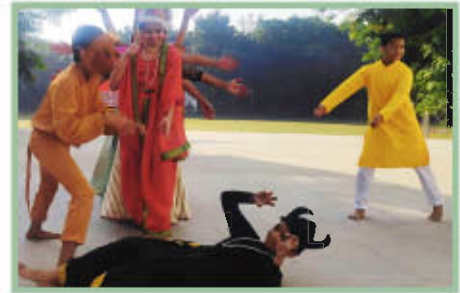

Samsara- The World Academy conducted a special morning assembly on Friday, 20th October, 2023 to celebrate the festivities of Durga Puja and Dussehra.

The students of grade V presented a beautiful folk dance. They showcased their love and affection for the festival through speeches and shared the importance of these festivals in our lives.

Furthermore, a Craft activity was also conducted, wherein the students of grades Nursery to II made colourful drawings & masks of Ravana thus expressing their enthusiasm for the festival and honing their motor skills along with creativity.

The festive event was a learning experience for all and enriched the young ones about Indian culture & heritage.

Capt. Praveen Roy, the Principal wished everyone "A very Happy Navratri and Dussehra" and reminded us the real meaning of 'SHAKTI' and how we can inculcate it in our lives.

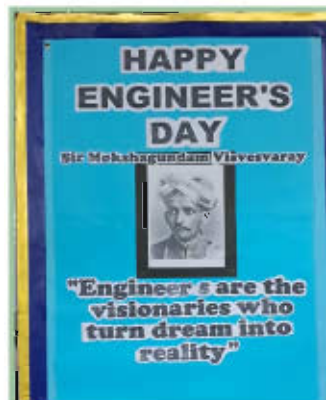

Durga Pooja - Seek Blessings & Radiate Love

Engineers' Day

Samsara -The World Academy celebrated Engineer's Day on 15th September, 2023. A special assembly was conducted to honour the birthday of Sir Mokshagundam Visvesvaraya, a renowned engineer and statesman. Students and teachers enthusiastically participated in various activities such as speech, and presentation of the biography of Sir Mokshagundam Visvesvaraya.

Students appreciated the contributions of engineers in various fields and were inspired to pursue engineering as a career.

Dedication to Engineering : Inspires Us All

Ganesh Chaturthi

"Lord Ganesha – A source of inspiration for people of all ages and his teachings continue to guide us on the path of righteousness."-Anonymous

Samsara- The World Academy conducted a special morning assembly on Tuesday, 19th September, 2023 on the account of "Ganesh Chaturthi" to celebrate the birth of Lord Ganesh. The students of grades 3 to 5 presented a dance. Students of

grade 3rd showed their love and affection for the festival through a speech (in English and Hindi) and shared details about the life of Lord Ganesha.

Students enjoyed a lot during the assembly and learned about Lord Ganesh, his different names, their meanings and valuable lessons from his life.

Ganpati Vibes

Kargil Vijay Diwas

"Remembering the heroes who fought for us and kept our heads high."Anonymous

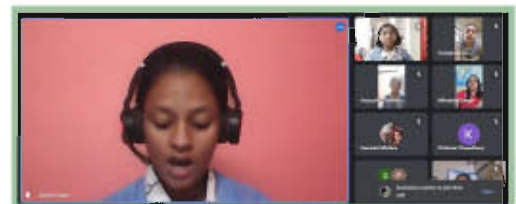

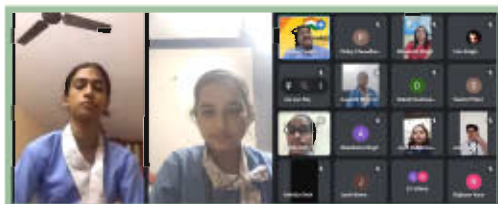

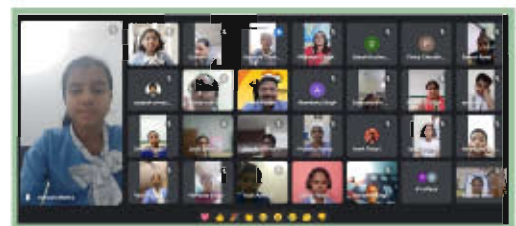

Samsara-The World Academy conducted special online assembly on 26 July, 2023 in remembrance of Kargil Vijay Diwas.

Our special guest speaker Group Capt. Gajendra Singh, a recipient of Vishisht Seva Medal, shared his journey of Kargil War. His speech was the source of pivotal moment and boosted the morale of students. The students pledged to follow the

path of bravery, dedication and sacrifice towards their nation. The chant of 'Jai Hind' instilled a sense of pride and unity among all students, reminding them for their responsibilities to protect the sovereignty of the country.

Class 9th students conducted the quiz to illustrate the importance of 'Kargil Vijay Diwas'.

Captain Praveen Roy, the Principal urged the students to respect our country by doing our duty in the best possible manner.

Protecting the Sovereignty

National Unity Day

Unity in diversity is India's strength. -Sardar Vallabhbhai Patel

National Unity Day was celebrated with great enthusiasm and patriotism during our school assembly on Tuesday, October 31st, 2023. The event commenced by invoking God's blessings. A special tribute was paid to Sardar Vallabhbhai Patel, well known for the title 'Iron Man of India' emphasising the significance of unity and integrity in the country.

The assembly featured various cultural performances, including dance, poetry recitation, and speech which aimed at highlighting the importance of unity in our diverse nation. The speech delivered by the students emphasised the need for harmony and understanding

among people from different backgrounds and regions.

Thereafter a pledge was also taken to promote unity and stand against discrimination and division. The students also participated in 'Run for Unity' to foster and reinforce our commitment to strengthen the unity, integrity and security of the nation.

The celebration served as a reminder of the values and principles that Sardar Vallabhbhai Patel stood for, and how his efforts played a crucial role in unifying our nation. It was a day that instilled a sense of pride and unity among all members of our school community.

Capt. Praveen Roy, the Principal reminded us to reaffirm our commitment to be united.

Tribute to Sardar Vallabhbhai Patel

National Youth Day

Growth is the only path you need to choose to move forward in life. Grow from inside as well as outside. (Anonymous)

On 12th January, Samsara The World Academy fervently celebrated National Youth Day, echoing Swami Vivekananda's teachings on youth empowerment. The event featured dynamic activities like 'Nukkad Natak' and speeches spotlighting the transformative potential of the young generation, emphasising Vivekananda's

principles.

The day culminated in an assembly where students exhibited their talents and reaffirmed their dedication to Vivekananda's vision of an enlightened youth. Through this celebration, Samsara The World Academy not only paid homage to Vivekananda's legacy but also inspired its students to be proactive agents of change and innovation in society.

Vision of Enlightened Youth

Raksha Bandhan Celebration

“Siblings are like stars, they may not always be visible, but you know they're ever there.”

Samsara- The World Academy conducted a special morning assembly on Tuesday, 29th August, on the occasion of Raksha Bandhan to ascertain the love and care between siblings.

The students of Grades Nursery, LKG and UKG performed a beautiful dance. They furthermore showed their love and affection for the festival through a skit.

Students also enjoyed doing different crafts activities like

making beautiful rakhies and gift boxes.

Students learned about the importance of family relationships, love, care, and protection. They furthermore learned about the traditions and customs associated with the festival, such as the tying of the Rakhi, a sacred thread that symbolizes the bond between siblings.

Capt. Praveen Roy, the Principal wished everyone 'A Very Happy Raksha Bandhan' and guided that this festival is an occasion for brothers and sisters to reaffirm their love and affection for each other .

Bond of Love, Care, and Protection

Guru Tegh Bahadur Martyrdom Day

“Never forsake the ones you swear to protect, rather give up your head. Sacrifice your life, but never your faith.” - Guru Tegh Bahadur

Samsara- The World Academy observed the martyrdom day of the Ninth Guru Shri Guru Tegh Bahadur ji with great piousness and serenity. Remembering the 'Shaheed Divas' and the supreme sacrifices of the guru for protecting the most fundamental of human rights.

A special assembly was conducted by the students of

class VIII. The students apprised every one of the life events of the Guru followed by melodious “Shabad Kirtan”. The students also delivered speeches reflecting on the values of compassion, sacrifice, and religious tolerance that he embodied.

Capt. Praveen Roy, the Principal urged the students to stand up for justice and the rights of all, creating a world where every individual can live with dignity and practice their beliefs without fear.

Values of Compassion & Religious Tolerance

Ram Mandir Assembly

A special Assembly was conducted on January 19, 2024, on Ram Mandir, exuding a profound sense of fervor and spirituality. Students actively participated by illuminating the sacred ambiance with the light of diyas, symbolising the victory of light over darkness. The rhythmic prayers and the distribution of prasad contributed to the sanctity of the gathering, fostering a collective sense of devotion. With the presence of Group Capt. Anil Pandey with his wife Ms. Anjali Pandey, the assembly seamlessly blended tradition with

contemporary enthusiasm.

The architectural and cultural importance of the Ram Mandir was highlighted, portraying it as a symbol of national pride and religious tolerance.

This intergenerational celebration at the Ram Mandir Assembly not only paid homage to religious sentiments but also exemplified the vibrant spirit of communal togetherness.

Ram Mandir – Portraying Sense of Devotion

रायन स्कूल, ग्रेनो

आग से बचने के लिए बच्चों के लिए फायर ड्रिल का हुआ आयोजन

ग्रेटर नोएडा, 2 अगस्त (देशबन्धु)। समसारा विद्यालय में फायर ड्रिल का आयोजन हुआ। जिसमें कक्षा नर्सरी से लेकर कक्षा बारहवीं तक के विद्यार्थियों ने भाग लिया। सभी विद्यार्थी ड्रिल के दौरान तत्परता दिखाते हुए अपनी-अपनी कक्षा से निकलकर सावधानी पूर्वक विद्यालय के मैदान में इकट्ठा हुए। इस ड्रिल में समस्त समसारा प्रबंधन विभाग, मेंटेनेंस विभाग व शिक्षण विभाग भी शामिल हुआ। जिसके पश्चात सभी को गिनती करके कक्षा में भेज दिया गया। यह ड्रिल लगभग 1 मिनट में पूरी हुयी। समसारा विद्यालय की प्रधानाचार्या कैप्टन प्रवीण राय ने समय समय पर इस तरह की ड्रिल की आवश्यकता बताई और इनकी महत्ता से अवगत कराया। जिससे सभी किसी भी आपतकालीन स्थिति से निपटने के लिए तैयार रहें।

HEALTH CHECK UP CAMP

A health check-up camp was conducted at our school on 29th September, 2023 to promote the well-being and health of our students. The camp aimed to assess and monitor the health of our students, identify any potential health issues, and provide guidance on maintaining a healthy lifestyle.

The camp featured a team of experienced doctors and nurses from Kailash Hospital, Greater Noida. They conducted thorough health examinations from classes Nursery to IV. These examinations included measuring

height, weight, dental and eye check up, and assessing general health too.

The Health Check-Up Camp was a resounding success in promoting the health and well-being of our students. It not only identified potential health concerns but also empowered students with knowledge and tools to make healthier choices in their daily lives. We remain committed in organising such initiatives to ensure the continued well-being of our students.

Healthy Habits, Healthy Life : Check-Up Camp

PARENTS' EXPRESSIONS

I am impressed with the teaching methods & approaches which are different from other schools. The subject teachers provide well-planned worksheets for practice beyond prescribed textbooks.

Samsara-The World Academy is doing excellent in all the fields. Taking Good care and putting in all the efforts by all teachers have boosted my daughter's confidence a lot. I feel that my decision was right to send my daughter to Samsara-The World Academy. We are feeling very proud of all the teachers and the school as a whole. we are grateful for that and very much satisfied.

Aradhya Angras (5-B)

D/o. Mrs. Sonakshi & Mr. Vivek Angras

I think we have found the right school for our daughter. The school has good facilities and imparts quality education to the students aiming at the overall development of the child. My daughter is learning something new every day in school. All thanks to the Principal and the teachers. They are very supportive and always make a good gesture whenever we require any help & support from them.

I wish them all the best!

Anusha - Nursery

D/o Mrs. Anuradha Agarwal & Mr. Shashank Agarwal

Thank you for all the love, care, and dedication that you put into teaching. Our both children Navank and Devank have really improved in all these years. We are beyond grateful for your guidance and support. Teachers, your hard work and dedication have not gone unnoticed. Words cannot capture my appreciation! We are really thankful and fortunate to be associated with the Samsara Family.

Navank Garg-XI and Devank Garg-VII

S/o Mrs. Vinodni Garg & Mr. Amit Garg

We are very satisfied. Our child always gets ample opportunities to explore and progress in all aspects. The school has been successful in striking an appropriate balance between Academic and Co-Curricular activities.

Shreya Prashar - VIII B and Shubhra Prashar - IX A

D/o Ms. Pushpa Prashar & Prabhat Ranjan Parashar

SAMSARA is putting in its sincere efforts to bring out the best in the children be it in any area whether extra-curricular, sports, or academics.

Our children always get ample opportunities to explore and progress in all aspects. The school has been successful in striking an appropriate balance between Academic and Co-Curricular activities. My son and daughter, Aashi and Aayukt's communication and social skills have enhanced a lot due to a range of classroom activities.

The school has provided a platform & exposure to the outside world to my children, which has honed their skills and boosted their confidence. The best part is following a curriculum with a perfect blend of modern education and culture & traditions. We are always thrilled to see the vibrant teachers and their work. Hope for same in future.

Mrs. Mamta Rajput & Shivendra Chauhan
P/o - Aashi Chauhan (VIII) and Aayukt Chauhan (V)

Samsara- The World Academy school is a beacon of knowledge and growth, where students are nurtured by dedicated teachers.

Their dedication molds young minds and ignites the flame of curiosity in students.

They inspire and help them shaping them to reach new heights with wisdom and compassion.

The classroom is a canvas for learning, where the teacher's passion for education shines through in every lesson. Together, they create a dynamic environment for success. I am very thankful to the teachers for their untiring efforts & cooperation.

Regards
Sanvi Bhati I-B
D/o Rita Bhati

"School is the garden where the seeds of curiosity are nurtured, blooming into a lifelong love for learning."

As parents, it is our responsibility to educate our children and make them learn the values of our surroundings. It is essential to choose our child's school carefully. Therefore we chose SAMSARA. We had always been searching for the better school and found the best too. Our elder daughter has been here for the last 10 years and we feel proud to be her parents. We observed a lot of changes in her. The school organizes regular workshops for the student's benefit. The school not only helped my child to grow into a better individual but also made her think out of the box, become sincere, and gave her a chance to explore her leadership skills by getting selected as Cultural Secretary. This position has made her become more responsible and learn to socialize. SAMSARA has played a huge role in making our daughter reach where she is now. After seeing her performance, we firmly believe that this was possible just because of these amazing teacher's untiring efforts. They take all the pains to make students successful and a good human being.

Similarly, after receiving positive outcomes for my elder daughter, we therefore decided to send our younger daughter. She has been studying here for the past 4 years. She has become an active participant in the school activities. Whenever we visit the school, we get welcoming and admiring vibes. We, as the parents confirm that SAMSARA will continue to reach greater heights. We feel immensely thankful that our children are part of the Samsara family.

STUDENTS' WORKSHOPS

Art Integrating

" Art has the power to transform, to illuminate, to educate, to inspire and to motivate." – Anonymous

Samsara-The World Academy organised a workshop on 'Art Integration & Skill Development' especially on Mandala Art form on 18th April, 2023. Students participated with great zeal to learn a new form of art.

Our resource person Ms. Alka Saxena, a motivational speaker guided the students that how the Mandala art form elevates our state of mind and how we can learn new patterns. Besides this, it also enhances our skills and confidence.

The Principal appreciated the art of the learners. Indeed, it was a wonderful workshop.

Creativity Meets Curriculum, Unleashing Imagination

Artificial Intelligence

Samsara-The World Academy organised a workshop on 'Artificial Intelligence' on 24th July ,2023 for students of classes IX & X. The workshop was facilitated by Dr. Suneet Kumar Gupta, the AI Expert from Bennett University. The event aimed to introduce the students to the fascinating world of AI and its applications, providing them with hands-on experiences and insights into this cutting-edge technology.

From Automation to Augmentation : AI Workshop

Awareness Session on Computer Science & IT

'Finding your passion is the key to your Success.....!'

Our facilitators Ms. Seema and Ms. Rakhi Dodeja conducted an orientation session for students of class X on Computer Science Vs Information Technology on November 9, 2023.

The programme aimed at providing valuable insights into these two exciting subjects. This was a great initiative by the school, as technology is a rapidly growing field with many career opportunities.

The workshop gave students a good overview of both the subjects, as well as the different career paths that they could pursue. This had been a valuable learning experience for the students that could help them to make better choices about their future careers.

Benesse Workshop IX And X

Samsara -The World Academy organised a workshop on "Learning Habits : Exam Preparation" on 25 August, 2023, for Grades IX and X. The session was conducted by Ms. Sapna Jha, Head Coach Benesse, and it proved to be extremely informative for the students.

The instructor introduced the students to the concept of the "Pyramid of Learning" and explained how it relates to the "Bloom's Taxonomy." This framework helps students to understand the different levels of learning, from remembering and understanding to applying, analyzing, evaluating, and creating. The students found this approach very insightful and relevant for their exam preparation.

Additionally, she also emphasized on the importance of setting goals and creating a study schedule. She explained, how having clear objectives can help students stay focused and motivated throughout their exam preparation period.

To reinforce these concepts and to encourage active participation, Ms. Jha assigned an interesting task to the students. They are required to create smart goals for each subject they are studying and develop a personalised study planner based on their individual needs and preferences. This hands-on activity will not only help them to apply the concepts they learned but also enable them to take ownership of their learning journey.

Overall, the session was highly valuable and received positive feedback from both the students and teachers. We believe that the knowledge and skills imparted, will greatly benefit the students in their exam preparation and beyond.

Empowering Minds, Enhancing Skills

Workshop on Power of Forgiveness

Samsara- The World Academy organised a workshop on "Power of Forgiveness and Blessings" on 18th August, 2023. It was a transformative and insightful workshop aimed at delving into the concepts of forgiveness, healing, and the power of blessings. The workshop provided a platform for students to explore the emotional and psychological dimensions of forgiveness. The primary objective of the workshop was to understand the significance of blessings in fostering positivity and well-being.

The workshop was structured into interactive sessions that engaged the students in thoughtful discussions, experiential

exercises, and reflective practices. Some of the key activities of the sessions included group discussions on personal experiences and guided meditation for self-improvement. The students gained several insights and take aways from the workshop such as a deeper understanding of forgiveness as a tool for personal healing and relationship improvement.

The engaging session, interactive activities, and thought-provoking discussions left participants inspired to integrate forgiveness and blessings into their lives, thereby promoting a more harmonious and fulfilling existence.

Healing Hearts : Embracing the Power of Forgiveness

Workshop on Personality Development

'Unleashing the Power of Personality Development & Non-Verbal Communication Skills'

Samsara - The World Academy conducted a workshop on 'The Personality Development & Non-Verbal Communication Skills' for grades X to XII on 29th September, 2023 by a renowned resource person, Mr Samudro Bagchi, Soft Skills Trainer.

The resource person delivered a session on the significance of

personality development and its impact on personal and professional lives. Through interactive discussions and examples, students gained insight into the various aspects of personality and the importance of self-awareness.

Students actively participated in discussions and question/answers related to nonverbal communication. This workshop is yet another step towards the holistic development of our students.

Shaping for Better through Personality Development

Career Counselling : Commerce Career Aspects

Career counselling plays a crucial role in guiding students to take informed career decisions.

Keeping this platitude in mind Samsara-The World Academy organised a session on 'Career Counselling' on 29th October, 2023.

The workshop aimed to provide comprehensive guidance to the senior students about taking career to be a Chartered Accountant. The team of ICAI comprised of Dr. Mitali Pathak, Deputy Secretary of ICAI and Ms. Surbhi Goel, practicing CA.

In their talks, they elucidated that the field of commerce offers a diverse array of career opportunities for students especially those who possess a keen interest in finance, business, and economics.

They further guided students towards a successful career in CA which can be taken by students of all streams. The workshop provided valuable career counselling insights and guidance to students for pursuing a future in audit and finance.

Easy Paper Craft

Samsara- The World Academy conducted a workshop on 6th July, 2023 on the topic "Easy Paper Crafts" for the students of grade I.

The resource person was Ms. Alka Saxena, an Educationist and an Alumni of Delhi College of Arts enlightened the students about the importance of craft.

Students learned to make beautiful crafts by utilizing paper and watercolours.

It was an extraordinary experience for the learners to make innovative crafts using different materials. The activity improved their fine motor skills and hands-eyes coordination.

Unleashing Creativity : Turning Simple Paper into Stunning Art

Traffic Rules Workshop

Samsara- The World Academy promotes road safety awareness and instills responsible behaviour among young individuals, a comprehensive 'Traffic Rules Workshop' was conducted for students of classes 9th and 10th on 18th September, 2023 by resource person Mr. Rakesh Kumar, Traffic Sub-Inspector.

The workshop aimed to educate the students about the importance of traffic rules, safe road practices, and the significant role they play in creating a secure environment for all road users.

The workshop raised awareness and equipped

students with the necessary knowledge to become responsible and law-abiding users in the future. By providing them with information on traffic rules, road signs, and safe driving techniques, Samsara sought to develop a sense of responsibility and accountability among young minds.

Capt. Praveen Roy, the Principal expressed heartfelt gratitude to the resource person for such a wonderful and knowledgeable workshop. She added further, that the workshop undoubtedly played a pivotal role in molding a generation of informed and conscientious road users

Empowering Communities Through Traffic Rules

Webinar on Children's Safety and Well-being

Children's safety and well-being are paramount in building a thriving and healthy society. Keeping the above platitude in mind, Samsara-The World Academy conducted a webinar on 'Children Safety and Wellbeing - the Collective Responsibility of Stakeholders' on 11th October, 2023 organised by Project CACA. This webinar aims to shed light on the critical aspects of ensuring the safety and well-being of our children.

The resource persons guided how to provide quality education as it is a cornerstone of children's well-being.

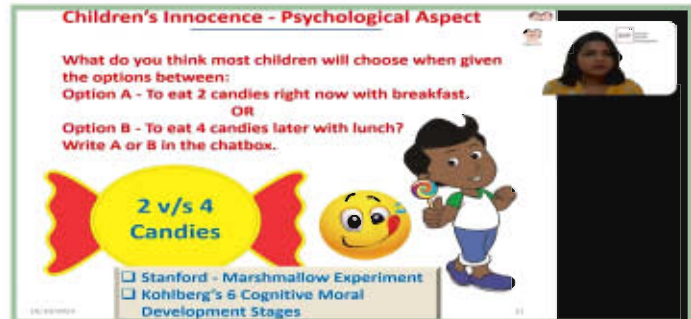

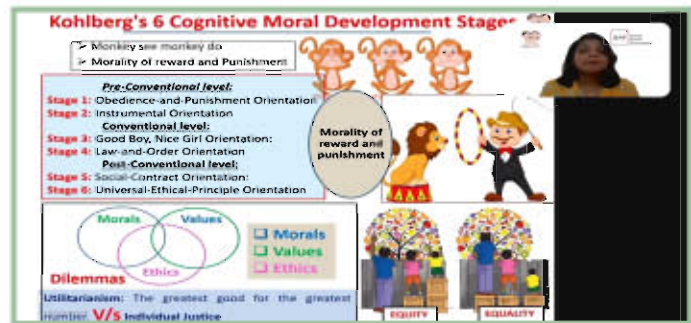

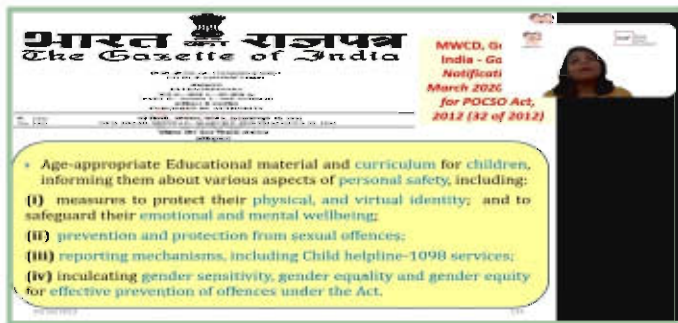

Protecting children from physical, emotional, and sexual abuse is a fundamental responsibility of parents and school. This involves implementing and enforcing robust child protection laws and establishing good mechanisms.

They guided that schools must ensure that every child has the opportunity to learn and develop to their full potential. She further apprised how mental health support is vital for children's physical and emotional wellbeing. The teachers learnt to identify the physical, emotional, and social risks that children can face.

To support mental health they focused on different strategies for preventing bullying, discrimination, and violence with the support of counselling.

Teachers actively participated in questionnaire rounds. They learned about effective techniques and resources to prevent and respond to risks faced by children.

Overall, it was a fruitful webinar to promote children safety and wellbeing leading to happier and healthier experiences for children.

Workshop on Character Building

Samsara-The World Academy is always progressive in sculpting its students. Character building starts at an early age. School plays an important role in the utmost important process of a student's life. This is the need of the hour as it is essential for the holistic development of children and their happiness in this world.

Keeping this in view, a live and interactive session was organised by a team of counsellors from 'Ahead Media Solutions Pvt. Ltd.' for the students of classes 8th & 9th on November 23, 2023, on the topic:

'How to become a better version of Yourself.'

The objective was:

- To add value to one's life.
- To do introspection and self improve
- To guide them on how they can have an optimistic approach in life.

It was a wonderful experience for students to boost their self-confidence, decision-making, and hidden skills

Leading and Optimistic Approach in Life

TEACHERS' WORKSHOPS

The Key to unlocking full Potential

Art Integrating Workshop

'Art has the power to transform, to illuminate, to educate, to inspire and to motivate.'

Samsara-The World Academy hosted "Art Integrated Learning Workshop" for the staff on 31st July 2023 which was conducted by Dr. Shalini Sandhya, PGT Vocal Music, Shiv Nadar School.

This workshop gave our teachers an insight into various pedagogy of arts integration. There was a wide range of unique activities planned. The goal of education is to give the child a sense of freedom to express and to realise his or her own potential. When children are

happy, they get a chance to feel that they are creating something, thereby their general motivation goes up. This is where Art becomes the basis of learning.

The resource expert contributed to the enrichment process. The workshop highlighted the usage of engrossing methods of learning such as mimicry, story telling, singing, role play, paper cutting, clay modelling, Origami, Mandala arts and dramatisation. The learning platform was an engaging one and the teachers stepped out and equipped with more confidence and numerous wonderful ideas for their classroom teaching.

Enhancing Teaching & Learning Skills

Health and Wellness Workshop

Our school faculties Ms. Nusrat Fatima, Mr. Gaurav Dhyani, Mr. Ram Chandra, Ms. Shalini Agnihotri got the privilege of participating in a highly enriching CBSE Capacity Building Program on Health and Wellness in schools at Somerville School, Greater Noida on 6th and 7th October, 2023.

The CBSE resource persons, Ms. Priya Gambhir and Ms. Preeti Chaudhary covered all crucial aspects of promoting health and wellness in schools.

The aim of this two-day capacity building programme was to

empower educators and school staff with knowledge and practical skills to create a nurturing and healthy environment for students.

Educators acquired valuable knowledge and practical skills to incorporate health and wellness into their teaching practices. They learned about various strategies, resources, and tools available to create a nurturing environment for students.

Participants shared best practices, exchanged ideas, and formed supportive networks for ongoing support and collaboration. Overall, the workshop proved to be a valuable platform for educators.

Learning by Doing

Pedagogical Strategies

Samsara- The World Academy conducted a workshop on (17th October,23) on the topic “Pedagogical Strategies - Effective Delivery of Concepts in Classroom.”

Ms. Deepali Singh, the resource person educated the teachers about various valuable strategies such as TPS, RAFT, JIG SAW, Bio Poem, Concept Map, Dictogloss etc for making our classrooms happy classrooms engaging all the students into active learners.

Teachers were quite enthused after attending the session as they were able to learn new ways and some interesting play-way methods that could be applied in their classrooms.

Capt. Praveen Roy, the Principal welcomed the resource person and thanked her for giving her valuable time and educating the teachers about different ways to make their classrooms active learning spaces for the benefit of their students.

Embracing the Joy of Learning & Creating

Understanding FLN Skills in Early Childhood Education

“Teachers Training Programs as well as Workshops are much needed to enhance the skills among the teachers”.

Our facilitators –Ms. Nidhi Sharma and Ms. Piyali Chowdhary attended the workshop on "Understanding FLN Skills in Early Childhood Education" conducted by CBSE on 27th October ,2023, at Kaushalya World School, P-2 Greater Noida,

Foundational Literacy Numeracy Mission ensures that our children attain literacy and numeracy skills by the time they reach class III. There is a set deadline of 2026-27 to achieve targets. It means development of oral language, decoding (sounds and symbol relationships), reading fluency, reading comprehension, developing number sense, mathematical thinking, problem-solving, and reasoning.

Recognizing the importance of early learning, the National Education Policy states that “Our highest priority must be to achieve

universal foundational literacy and numeracy (FLN) in primary school and beyond by 2025.

The resource person Mr. Ankur Jaipuria, from Macmillan Education HOP SKIP AND JUMP Programme conducted various activities aimed at the purpose of integrating body movements with listening skills. He emphasised some key points in achieving this goal:

- Activities and workbooks around
- Sound and listening activities
- Enhance reading
- Involving collaborations with peers
- Poems and stories
- Numeracy
- Number Sense
- Spatial Understanding

Our facilitators inferred numerous classroom activities and shared their valuable experiences with other team members.

ENGLISH DEPARTMENT

L to R : Ms Bhupinder, Ms Aashi Urooj, Ms Shipra Garg, Ms Naina Singh, Ms Reema Sharma (HoD), Ms Saloni Kashyap, Ms Shraddha Sahu, Ms Neelima Tyagi

Greetings Readers,

In our English department, we strive to create an immersive environment where students not only learn English as a subject but also as a language. Our approach encompasses a blend of interactive classes, engaging activities, and strategic participation in both inter and intra-school competitions.

Our classroom instruction focuses on fostering all aspects of English language proficiency, including reading, writing, speaking, and listening. Through interactive sessions, discussions, and multimedia resources, we aim to make the learning process dynamic and engaging.

Our teaching strategies are tailored to cater to diverse learning styles and abilities. We employ a combination of traditional teaching methods and modern pedagogical approaches, such as flipped classrooms, project-based learning, and peer collaboration. This ensures that every student has the opportunity to excel and progress at their own pace.

We organise various activities to supplement classroom learning and encourage the practical application of language skills. These include debates, drama performances, creative writing, poetry recitations, and language games. Such activities not only enhance linguistic abilities but also nurture creativity and confidence among students.

Participation in inter and intra-school competitions forms an integral part of our programme. We encourage students to showcase their language skills and talents through events like English olympiad, spelling bees, elocution contests, designing posters, essay writing competitions, and literary quizzes. These platforms not only provide students with opportunities for personal growth but also foster a spirit of healthy competition and camaraderie.

Through our holistic approach to language learning and participation in various competitions, we aim to empower students to communicate effectively and confidently in today's globalized world.

We believe in the continuous improvement of our teaching methods and curriculum. Regular feedback from students, parents, and colleagues helps us identify areas for enhancement and innovation. By staying abreast of the latest developments in language education and integrating new technologies and resources, we ensure that our English department remains dynamic and effective. In conclusion, our English department, under the able guidance of Capt. Praveen Roy, the Principal is committed to nurturing linguistic proficiency, fostering creativity, and instilling a lifelong love for the English language.

Best regards,

Ms. Reema Sharma

हिंदी भाषा की जो मिठास है, वह दिल में बस जाती खास है।

हिंदी भाषा का प्रत्येक शब्द एक ऐसा शब्द है जो हमारे दिल को छू जाता है। भाषा में एक ऐसी पकड़ होती है जो हमारे हाव-भाव और विचारों को प्रकट करने में सहायक होती है इसीलिए उसको उस निर्मल जल की संज्ञा दी गई है जो अपने में बहुत सी चीजें समेटते हुए आगे बढ़ती चली जाती है जिस प्रकार एक नदी अपने अंदर आई हर चीज को अपने में समा लेती है उसी प्रकार हिंदी भाषा सभी के विचारों और भावों को दिल से अपनाती है, हिंदी भाषा की मिठास मन में इस तरह से असर दिखाती है कि वह अपने शब्दों से हमारा दिल छू जाती है। समसारा विद्यालय का हिंदी विभाग भी अपनी पूरी निष्ठा से इस भाषा को बच्चों के दिल तक पहुंचाने का काम करता है, बच्चे इस भाषा को समझ कर इसमें अपने भाव और विचार बहुत ही आसानी से और सुगमता से प्रस्तुत करने में समर्थ बनते हैं।

बच्चों की हिंदी भाषा के प्रति रुचि जागृत करने के लिए हिंदी विभाग समय-समय पर बहुत सी गतिविधियों का आयोजन करता रहता है। जिनमें से कुछ प्रमुख हैं – कविता वाचन, श्रुतलेख, सुलेख, वाद विवाद प्रतियोगिता, दोहा वाचन प्रतियोगिता, पोस्टर मेकिंग, लघु नाटिका प्रस्तुतीकरण आदि। आगामी समय में भी हिंदी विभाग विद्यार्थियों की रुचि अनुरूप हिंदी भाषा में विद्यार्थियों की पकड़ बनाने के लिए भिन्न तरह की गतिविधियों के आयोजन के लिए प्रतिबद्ध है। साथ ही विद्यार्थियों की मात्रा संबंधी अशुद्धियों को भी वाचन व लेखन के माध्यम से सही कराने का प्रयास लगातार कर रहा है।

MATHS DEPARTMENT

L to R : Ms. Bhupinder, Ms. Naina Singh, Ms Suman Singh, Ms. Ramita Sharma, Ms. Jyoti Yadav (HoD), Ms. Rajbeer Kaur, Ms. Nidhi Sharma, Mr. Mithilesh Kr. Choudhary

“I've always enjoyed Mathematics. It is the most precise and concise way of expressing an idea.”

The above statement given by famous Indian mathematician Shakuntala Devi, is one of the most inspirational math quotes of all time. “Without Mathematics, there's nothing you can do”.

Samsara believes in Interactive Math Sessions: Learning by Doing and a Multi-disciplinary Approach.

In Samsara, teachers are embracing new approaches to engage students and promote a deeper understanding of mathematical concepts. We aim to go beyond simply mastering formulas and equations; foster critical thinking skills, problem-solving abilities, and real-world.

We conduct interactive sessions, where students actively participate in the learning process. By engaging in discussions, group activities, and hands-on experiences, students are able to apply math to real-life situations and develop a genuine appreciation for the subject. Learning by doing, allows our students to experiment, make mistakes, and learn from them, fostering a deeper understanding of math concepts. Moreover, a multi-disciplinary approach is increasingly becoming prevalent in math education,

connecting math to other subjects such as science, technology, engineering, and even the arts. By exploring these interdisciplinary connections, students gain a broader perspective and see how math is integrated into various fields. Overall, by embracing interactive sessions, learning by doing, and a multi-disciplinary approach, students not only enhance their math skills but also develop lifelong problem-solving abilities and a passion for exploring the world through mathematical lens.

Every year, we at Samsara celebrate birthday of great Mathematician Ramanujan with lot of hands on activities in every Wing e.g sudoku, mental maths, model making, field games, quiz etc.

We also promote our students to take part in International Maths Olympiad held every year by SOF in our own school.

Maths department shows it's gratitude to all Samsarians for their cooperation and motivation with the hope that together we will bring more laurels to school by producing best results in coming session.

THE INSPIRATIONAL PILLARS

SCIENCE DEPARTMENT

L to R : Mr. Mithilesh Kr. Choudhary, Ms. Poonam Rathore, Ms. Pramila Panda, Ms. Nusrat Fatima (HoD), Ms. Seema Singh, Ms. Kirti Khanna

At samsara, our mission is to create a warm, loving, secure environment that fosters creativity, curiosity, self-confidence and independence so that students may become models of peace and can succeed in an evolving world.

We want children to do more than to just learn.

We focus on experiential learning approach that is learning has an authentic purpose. It is engaging and instrumental in helping students address complex problems and find meaningful solutions.

“Education is not the learning of facts but training of minds to think”- Albert Einstein.

We samsarians conduct scientific experiments and activities intending to cultivate scientific temperament and attitude among the children.

Every year science week is organised where

different activities are conducted with respect to different age groups . Children learn a lot by various scientific concepts and the experiments.

Our aim is to groom self-directed,confident learners empowered with skills, knowledge and wisdom through well-rounded education. We aspire to ignite in our students a passion for lifelong learning and the zeal to serve the society.

THE INSPIRATIONAL PILLARS

SOCIAL SCIENCE DEPARTMENT

L to R : Ms. Shikha Yadav, Ms. Rama Teotia, Ms. Usha Singh, Ms. Shifali Sharma (HoD), Ms. Neha Sharma, Ms. Pinki Yadav

“The social studies defined as the study of man and his program is interaction with his social and physical environment in the past, present and emerging future” – John U. Michaelis

The social sciences are all about how society works. Social scientists examine institutions like the government, the economy, and family, they also study how individuals and groups interact with one another and what drives human behavior.

Social science help students to know about the duties towards human society and make us understand how a man can fulfil their needs. Because of Social science students understand the fundamental rights of our constitution, freedom fighters who fought for the nation.

It also provides knowledge of the social environment and nature. It also develops the human qualities, desirable attitudes in students, and it also expands the critical thinking and imagination of students.

Students learn many different things from social science like cultural and social beliefs, religions, caste, nationalities, languages, festivals, clothing, food etc. From these things, students come to know that in the society they live is multi-

cultured, diverse and interrelated between the countries, culture and religion.

It all starts from the Samsara reception board "timeline of Indian history ", social science lab, conceptual bulletin boards etc. Young Samsarians have done the research on "Framing Of Constitution", "Unity Day", "Azadi ka Amrit Mahotsav", "Vasudhev Kutumbkam"and showed their creativity in form of posters, speeches, Presentations, letter writing in school.

Movie, documentaries are integral part of Samsara family which gives glimpses of real life directly into the students consciousness.

Samsara helps the students to know the importance of democracy, freedom and rights and how to live in society. It makes the student responsible, active and reflective towards the society.

And also makes the students well informed about the culture, religion and society; in short, it makes the student well-informed citizen.

LEISURE PURSUIT : HOLISTIC DEVELOPMENT

Aerobics Club

In the Aerobics Club of Samsara -The World Academy, children are facilitated with various types of aerobics like Step Aerobics, Dance Aerobics, Running and Jogging Aerobics, Sports Aerobics, etc. The objective is to increase interest in exercise and improve mutual coordination among children. These various aerobic exercises at school have wide-ranging benefits for students of all ages.

Doing physical exercises in the form of Aerobics provides more oxygen to the muscles, which makes children breathe faster. Its regular practice helps in strengthening the heart muscles and lungs.

It also helps in controlling weight. Due to many reasons, children start gaining too much weight at an early age, due to which their physical activities are reduced, but with the help of aerobic exercises, less fat gets accumulated in the body of children. And the amount of calories is also fully utilized. This keeps children healthy and their weight also remains balanced. Overall, it improved the physical health and mental well-being of the students which had a positive increase in academic performance and improved their social skills.

Get Fit and Feel the Energy with Every Move.

Art Club

Every artist was first an amateur." - Ralph Waldo Emerson

The Art Club of Samsara -The World Academy is a vibrant cluster of creative minds, which brings together students with a passion for artistic expression and thoughts. The club involves students of class 1st to 8th.

It teaches students about traditional painting and drawing to modern art and crafts. The Art Club provides a platform for students to share ideas, work on projects, and learn new techniques from each other. Students get engaged in painting, drawing, and other artistic pursuits, fostering a collaborative and inspiring atmosphere. Group projects are also done, contributing to skill development and a shared passion for creativity which brings in trophies and medals to school. The students are appreciated and motivated to work, promoting appreciation for diverse artistic styles within the school and in

interschool competitions. Overall, the art club serves as a hub for fostering artistic talent, encouraging self-expression, and building a supportive network of like-minded individuals.

A World of Colour and Possibility

Dance Club

At our club, dance becomes a bridge between culture and well-being. Students embrace this rhythmic journey and discover a harmonious blend of tradition and health.

Students explore different dance forms at the Club:

Bharatanatyam:

Students learn Bharatanatyam, a traditional dance from Tamil Nadu, where age-old tales meet contemporary style. At our club, the students delve into this art form to improve balance, flexibility, and heart health.

Chhau Fusion:

The vibrant dance spanning West Bengal to Odisha, blending martial and folk traditions. Our club students dive deep into its cultural essence while enhancing coordination, cardiovascular fitness, and relaxation.

Bollywood Grooves:

Students unleash their passion with Bollywood dance! Our sessions blend ...

Expressing Themselves with Movements, Feeling Music in Every Move

Hindustani Vocal Music Club

भारतीय संगीत

भारतीय संगीत भारतवासियों की जीवन शैली का मूलकेंद्र है। समस्त कलाएँ ओड़म में ही निहित है। जो कि हमारे संगीत का आधार है।

सूर्य की किरणों से निकलकर तारों में चमकता है संगीत।

सागर से मिलता है संगीत। नादियों की लहरों से बहकर। इसलिये कहते हैं कि परब्रम्ह परमात्मा प्राप्ति का मार्ग है संगीत। आजकल के बच्चों का जीवन इतना व्यस्त और तनावपूर्ण हो रहा है कि उनकी मानसिक और शारीरिक शक्ति प्रदान करने के लिये समय की कमी के कारण उनका स्वास्थ्य ठीक नहीं रहता है। इन चीजों को अगर विकसित करना है तो वह है संगीत।

हिन्दुस्तानी संगीत आध्यात्मिक, मानसिक और शारीरिक शक्ति प्रदान करने

हेतु मनुष्य में आत्मविश्वास को विकसित करता है। बच्चों को संगीत सीखने के लिए लगन और अनुशासन की आवश्यकता है। संगीत मनुष्य के सकारात्मक विचारों को अपने मस्तिष्क में भरता है और जो अपने व्यक्तिगत जीवन में मदद करता है। इसलिये हमारे संगीत क्लब में मैं चाहती हूँ कि जीवन में हर एक बच्चा संगीत की शिक्षा लेकर साधना, धैर्य, एकाग्रता, मनोबल बढ़ाने के लिये उनके हर एक आने वाले पल में सांगीतिक गुण का निर्धारण हो। ताकि आने वाला कल मानसिक तनाव से मुक्त हो और स्वास्थ्य प्रदान करते हुये उनके ध्यान स्तर को इतना बढ़ाये कि उनका जीवन सुखमय व स्वस्थ रखे। हमारे संगीत क्लब में हम यही सब शिक्षा विद्यार्थियों को देने का प्रयास करते हैं।

Karate Club

"The best fighter is someone who never has to fight because they control the situation." – Bruce Lee.

Karate is one of the physical activity clubs. The students start their activity with warm-up exercises which help to develop flexibility, endurance, strength, speed, and coordination. They learn the basic skills of Karate such as Punches, Blocks, Kicks, and Stances. The

themes of traditional karate training are fighting and self-defense and the overall improvement of the individual. Karate is considered not to be only about fighting techniques, but also about discipline.

Karate classes are held in our spacious school playground. Students enjoy this activity enormously and are always ready to run up to the playground to release a bit of their vast reserves of energy.

Learning Basic Skills

LEISURE PURSUIT : HOLISTIC DEVELOPMENT

Skating Club

"Sometimes my skating allows me to do things I never dreamed possible". – Kurt Browning

At our school skating club, Skating is a fitness sport, well-suited for students. In addition to building cardiovascular fitness, it contributes to the development of balance and coordination. The sport's potential for social integration as a recreational activity. Skateboarding teaches students to accept failure with courage and never give up. Students become

comfortable with allowing their fear to guide them in understanding their physical limitations while learning to push their limits despite their fear. Engagement outside of the classroom adds an important dimension to their education and involvement among students. Many club students won the medals and gained certificates by participating in various inter & intra-school competitions. The club also provides a sense of community.

Gliding for Fun on Wheels.

Tourism Club

"Travelling makes you speechless, then turns you into a storyteller." – Erol Ozan-

Tourism is a social, cultural, and economic phenomenon that entails the movement of people to countries or places outside their usual environment for personal or business/professional purposes.

This year Tourism Club of Samsara incorporates Class XI (Humanities and Commerce) students.

Students made projects on the popular hill stations of Northern India. They added their practical life experiences and presented their projects in class as well.

They knew about What is Tourism, the Importance of tourism, and the historical, geographical, and religious history

of hill stations according to their assigned project. They also showcased the contribution of tourism to the GDP of India....

Explore The World, Discover Yourself

Western Music Club

The Western Music Club of Samsara-The World Academy is a musical and fun-filled experience with much learning and practicing at the same time.

The club teaches students about Western instruments including strings, keys, and percussion instruments. The club also provides a platform for students to make music on their own using different musical instruments like Guitar, Piano, Drums, Vocals, etc. It helps them to become experimental and innovative. It also conveys proper guidance with appropriate exercises and workouts of the vocal cords to the students

engage in learning vocals. Students are involved in making music on their own and every time, they come up with something good. The club involves students from class Nursery to 12th where they are appreciated and motivated to work, promoting appreciation for diverse musical styles within the school and in inter-school competitions.

Overall, The Music Club serves as a hub for fostering musical talent, encouraging self-expression, and building a supportive network of like-minded individuals.

Experiencing the Rhythm of the West

Yoga Club

"Yoga is the journey of the self, through the self, to the self."
– The Bhagavad Gita

It is safe to say that yoga in our school continues to expand, it helps students to cultivate social, emotional, and physical health, academic success, and an overall positive school environment. A healthy body is essential to enjoy life to the fullest and regular practice of yoga can provide a great deal of health. Yoga is not a form of vigorous exercise the way people think. It is an inexpensive, freehanded form of exercise with a combination of

breathing exercises and poses. It is systematic and scientific. The results can be obtained by improving both physical and mental health. Breathing patterns are important in the "ASANS" People are realizing its importance and the key to the cure of modern-day stress lies in Yoga. Yoga is done to obtain peace and it is done peacefully. There is no extreme movement in yoga. It can be performed by people of all ages and even sick people. It is truly the art of living, an ancient art by Rishi Patanjali. It is timeless because it is so much in relevance with what is required today.

How the Lingam was born ?

Once there was a great argument between Brahma and Vishnu. Brahma said, 'I am the creator of this universe.' He said. Vishnu disagreed. 'No, you are not. I am,' he said.

As the intensity of the argument grew, all the gods assembled to watch who would win and the whole world came to a standstill. The wind would not blow and the water wouldn't flow. The sun and moon shone at the same time. The people on the earth were frightened and began to pray to the supreme power to rescue them from this earth that had become hell. Despite the cries of the world, Vishnu and Brahma continued to debate when, suddenly, from the depths of the cosmic ocean rose a great black stone. Crowned with flames, the black stone rose higher and higher even higher than Mount Sumeru, the tallest mountain in the world.

All the gods watched in awe as the stone continued to grow. Even Brahma and Vishnu forgot their argument. Unable to contain their curiosity, they decided to investigate. Brahma became a swan and soared upwards while Vishnu became a boar and dived downwards. They prowled hither and thither, seeking the power of the stone. Suddenly the gigantic black stone split and, in a cave-like sanctuary, the Sadashiv seated. At that moment they realised that it was Shiva who was the creator. From then on, the black stone, or the lingam has always been worshipped as a symbol of Shiva's power.

The Beautiful Nature

Come with me to see the beauty of nature,
The nature that God gave us.

Feel the beauty of nature,

The birds chirping on the trees,

The slow blowing of the pleasant breeze.

Take a moment, put your worries behind,

Listen to nature,

Composing the clatter of Leaves,

The sound of whispering of the trees.

That sends the mind into a dream,

The luster of sunrise tells us,

That every day is a new day.

The luster of sunset tells us,

That it's the end of a day in a wonderful place.

Thank you, God for the nature that you gave us.

A Smile

A smile is something no one can resist,
 Even after life gives them the twists.
 Whenever you see someone going away,
 Pass a good smile and 'Hurray' you made their day.
 A smile is something very beautiful,
 It's like you are casting a little spell so just say 'Boppiddy Boppiddy Boo'.
 A smile is very communicable,
 Just give it to someone and they will return it with more flavour.
 Many times someone is the reason for your smile,
 And if you treat everyone right, you might be the reason they shine.
 Not every smile is a pretty one,

But each one is unique.
 Wander on the streets, passing one smile to another,
 Look, they smiled back, it meant they had nothing to bother.
 If you feel a smile, begin, don't leave it undetected,
 Start an epidemic and get the whole world infected.

Strategies to promote Cleaner Greener and a Bluer Future

A greener, cleaner future reflects overall development in our environment with sufficient resources sustainability and low carbon footprints greener and cleaner future will be created when carbon emission is controlled and the people learn to use resources wisely.

A perfect future will become when we follow the following ways:

By using renewable and recycle process manage the plastic waste, and can make our Earth Greener.

By conserving water usage and avoiding the wastage of water we can make our Earth Bluer.

By using sustainable products we can avoid using plastic products. We must use sustainable products which may last long.

We can use good quality products.

Only the most important task is that we must plant more & more trees to make our Earth Greener.

Green Hydrogen as Future Renewable Energy

The war in Ukraine has caused a global energy crisis due to the lack of fossil fuels. This has led to an unprecedented rise in the price of natural gas and coal, causing Europe to import much more liquefied natural gas than usual, with the attendant problem of worsening climate change. Decarbonising the planet is one of the goals that countries around the world have set for 2050. To achieve this, decarbonising the production of an element like hydrogen, giving rise to green hydrogen, is one of the keys as this is currently responsible for more than 2% of total global CO₂ emissions.

Green Hydrogen is produced using electrolysis of water with electricity generated by renewable energy. The carbon intensity ultimately depends on the carbon neutrality of the source of electricity.

Hydrogen is the most abundant chemical element in nature. As noted by the International Energy Agency (IEA), the global demand for hydrogen for use as a fuel has tripled since 1975 and reached 100 million tonnes a year in 2023. In addition, green hydrogen is a clean energy source that only emits water vapour and leaves no residue in the air, unlike coal and oil. Hydrogen as a fuel is

a reality in countries like the United States, Russia, China, France and Germany. Others like Japan is going even further and aspire to become a hydrogen economy.

India has launched the National Green Hydrogen Mission with an outlay of Rs. 19,744 crores with a target of 5MMT production capacity of Green Hydrogen per annum. In conclusion, Green Hydrogen has enormous potential to decarbonize several sectors, reduce carbon emissions and achieve energy independence.

India has set its sight on becoming energy independent by 2047 and achieving Net Zero by 2070. To achieve this target, increasing renewable energy use across all economic spheres is central to India's Energy Transition. Green Hydrogen is considered a promising alternative for enabling this transition. Hydrogen can be utilized for long-duration storage of renewable energy, replacement of fossil fuels in industry, clean transportation, and potentially also for decentralized power generation, aviation, and marine transport. The National Green Hydrogen Mission was approved by the Union Cabinet on 4 January 2022.

Rani Lakshmi Bai came to my Dream... She wanted me to serve our nation

The dream was absolutely delighted one for me as I saw one of my Inspirational characters . Her strong indomitable spirit fills my heart with immense courage, bravery and patriotism. I saw she whispered in my ears, "Serve our nation". Her voice was still ringing in my ears after waking up from a sleep. I have understood that it was a clear sign of our life goals. she showed me the way of fulfilling my aim of serving our nation. I feel more confident now about choosing my life goals and contributive to our society in many ways. The original name of Rani Lakshmi Bai was Manikarnika Tambe when she was born. She was unique in many ways. Like horsing, shooting etc. like I can do small things for my nation like imparting knowledge, cleanliness drive, planting trees, educating poor children, and many more. I would like to cooperate and motivate others to come together in any positive step for our society. Whatever I will do for my country, I will do that from the core of my heart.

Guess who am I ?

What is fluffy?
 What is white?
 What can you see?
 When skies are bright?
 What can float?
 What can bring rain?
 What may be higher?
 Then a bird or a plane?
 Say it loud – CLOUD!!

Mangal Pandey

“I have no fear of dying, for me, there is nothing greater than the freedom of the nation” — Mangal Pandey

The 1857 Mutiny was marked as the first war of Indian Independence. The story of Mangal Pandey motivates me to strive for freedom and stand up for what I believe in the life of Mangal Pandey. A brave Indian soldier served as a powerful inspiration for me. His valiant actions during the events leading up to the 1857 mutiny, often referred to as the First War of Indian Independence, showcased First War courage and determination. Mangal Pandey's unwavering commitment to his ideals and his willingness to stand up against injustice motivate me to fight for freedom and equality. His bravery challenged the oppressive British rule & encouraged me to never shy away from speaking out against injustice and fighting for what is right.

Pandey's story reminds me of the importance of unity and the strength that can be found in standing together. His actions ignited a spark of resistance that spread throughout India. Inspiring countless others to join the fight for Independence. Although Pandey was ultimately captured and executed by the British, his legacy lived on. His actions galvanized the Indian population and laid the foundation for the larger movement towards Independence.

Mangal Pandey's sacrifice and unwavering spirit continue to inspire generations. He played a significant role igniting the flame of rebellion during the Indian Rebellion of 1857. His actions continue to inspire us to stand up against oppression and fight for justice and freedom.

Mangal Pandey's actions inspired others to join the rebellion, leading to the start of the 1857 Indian Rebellion. The Rebellion was spread to various parts of India, where soldiers and civilians united to fight against the British. Unfortunately, the rebellion was eventually suppressed by the British and Pandey was captured and sentenced to death.

On April 8, 1857 he was hanged earning the honour of sacrificing his life for India's Independence.

Let his history remind us to never underestimate the power of the convictions and to always strive for what we believe in. Together we can make a difference.

La Pollution

Le mot pollution vient du latin polluer, cela signifie simplement contaminé nation. Par conséquent, en termes simples la pollution est quelque chose qui contaminé l' environnement. La présence de sous nuisibles concentrations dans l'air, la tere et l'eau, qui peut avoir un effet néfaste sur la viegs et sur l'environnement est la pollution. Se référant à des gaz, fluides ou autres substances nocives matières pernicieuses qui sont libérées ou dans produits dans le milieu naturel. C'est également une matière toxique qui fait du sol un d air impure, polluant, contaminants, or substances dangereuses qui rendent le environnement inadapté ou dangereux.

Une maison

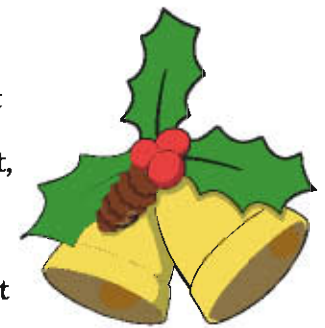

Une maison est une structure habitable construite pour fournir un abri aux individus. Elle est généralement composée de murs, d'un toit, de portes et de fenêtres. Les maisons peuvent varier en taille, en style architectural et en agencement intérieur. Elles servent de lieu de résidence et peuvent inclure différentes pièces telles que des chambres, des salons, des cuisines et des salles de bains. Les maisons peuvent être construites en divers matériaux tels que le bois, la brique, le béton ou une combinaison de ceux-ci. Elles représentent un espace privé où les individus vivent, se reposent et interagissent avec leur environnement quotidien.

Poème de Noël

In French Vive le Vent
Sur le long chemin
Tout blanc de neige Blanche
Un virus Monsieur s'avance
Are sa vanne dans la main
Et tout la - haut le vent
Qui single dans les branches
Lui souffle la romance
Qu'il chanta it's petit enfant
Oh! Vive le vent , vive le vent,
Vive le vent d' hover
Qui s'en va, sifflant ,soufflant
Dans les grands sapins verts
Oh! Vive le vent, vive le temps
Vive le temps d'hiver !
Boules de neige et de l'an
Et bonne année grand-mère
Joyeux, joyeux Noël
Aux mille bougies
Qu'on chante vers le ciel
Les cloches de la nuit
Et dans chaque maison
II flotte un air de fête
Partout la table est prête
Et l'on enteng la même chanson.
Joyeux Noël

La pollution en France : un problème croissant

La France, connue pour sa beauté naturelle et son patrimoine culturel, est confrontée à un problème de pollution croissant qui menace son équilibre écologique. Les différentes formes de pollution, qu'elles soient atmosphériques, aquatiques ou terrestres, ont de graves répercussions sur l'environnement, la santé humaine et la biodiversité.

Pollution de l'air : Les émissions de gaz à effet de serre provenant des transports, de l'industrie et de l'agriculture contribuent de manière significative à la pollution de l'air en France. Les grandes villes, comme Paris et Lyon, sont particulièrement touchées par des niveaux élevés de particules fines, affectant la qualité de l'air et la santé respiratoire des citoyens. Personnellement, je surveille l'IQA des grandes villes et pour Paris, il est passé d'un excellent 14 à 58.

Pollution de l'eau : Les rivières et les eaux souterraines en France sont soumises à une pression constante en raison des rejets de produits chimiques issus des activités industrielles et agricoles.

Pollution des sols : L'utilisation excessive de pesticides et d'engrais chimiques dans l'agriculture entraîne une contamination des sols.

Effets sur la biodiversité : La pollution a un impact dévastateur sur la biodiversité en France

Initiatives et solutions : Face à ces défis, la France a mis en œuvre diverses initiatives pour lutter contre la pollution. Des réglementations introduites pour contrôler les émissions industrielles et les normes de

qualité de l'air sont renforcées.

Mais malgré ces efforts, la bataille contre la pollution en France est loin d'être gagnée. Il est impératif que la société civile, les entreprises et le gouvernement travaillent ensemble pour adopter des pratiques durables, promouvoir la recherche de solutions innovantes et sensibiliser à l'importance cruciale de la préservation de l'environnement.

En conclusion, la France est confrontée à un défi majeur en matière de pollution qui nécessite une action immédiate et coordonnée. La préservation de l'environnement est essentielle pour assurer un avenir durable aux générations futures, et il est de la responsabilité de chacun de contribuer à la lutte contre la pollution.

Famous Choses Du France

La France est le plus grand pays d'Europe occidentale. Il a de nombreuses traditions merveilleuses et beaucoup de choses qui le rendent célèbre. Tel que :-

La France fabrique de nombreux plats et desserts authentiques tels que la Tarte Tatin, Escargot, la soupe à l'oignon, les crêpes, éclair, etc.

La France est célèbre pour son goût en matière de mode aussi! Il a inventé de nombreuses genuine marques de mode comme Louis Vuitton, Dior, Chanel, CELINE, Balenciaga, etc.

Il fait tellement de fromage que 96% de la population en mange. Le brie, le conté, le banon, etc.

La France compte tant de festivals fascinants comme le Menton lemon festival, Bastille day, cannes film, etc. avec leur propre tradition.

मां पर कविता

मां की ममता, मां का प्यार,
झूठा है सारा संसार,
गोद उठाती लोरी गाती,
पहले खाना हमें खिलाती,
करती पल-पल हमें दुलार,
मां की ममता, मां का प्यार।
मां की आंखों के तारे हम,
मीठे सुर में रही पुकार,
मां की ममता, मां का प्यार।
दूर नहीं है रहने देती,
आंसू नहीं है बहने देती,
करें खिलौने की भरमार,
मां की ममता, मां का प्यार।
कौन है जग में मां के जैसा,
सोना - चांदी रुपया पैसा,
उसके आगे सब बेकार,
मां की ममता, मां का प्यार।

जीवन का सार

जब उम्मीदों के दीपक बुझने लगे,
तो हौसलों के दीपक जला लेना!

जब सारे ख्वाब टूटकर बिखरने लगे,
तो नए ख्वाबों को दिल में सजा लेना!
दौलतों के दौर में बढ़ रहा है,
तन्हा रहने का चलन!!

तन्हा रह कर ही,
अक्सर लोग हार जाते हैं जिंदगी!
मानो कई बार यें तन्हाई कहती है हमसे, कुछ नहीं रखा है इस संसार में!
पर सच तो ये है जीवन ही सबसे अनमोल है,
सारी शोहरत लुटाकर भी जीवन बचा लेना!
जीवन में जब भी अकेलापन लगे,
तुम अपना को अपने पास बुला लेना!

हँसी पर कभी महँगाई नहीं आएगी, जितना बाँटोगे उतनी ही बढ़ जाएगी।
फिर मुस्कुराने में कंजूसी कैसी? जिंदगी जीने में हिचकिचाहट कैसी ?
मुस्कुराने में कोई हर्ज नहीं, यह लबों पर कोई कर्ज नहीं।

भव्या

बुरी स्मृतियाँ भुला ही दी जाएँ

दो भाई थे। परस्पर बड़े ही स्नेह तथा सद्भावपूर्वक रहते थे। बड़े भाई कोई वस्तु लाते तो भाई तथा उसके परिवार के लिए भी अवश्य ही लाते, छोटा भाई भी सदा उनको आदर तथा सम्मान की दृष्टि से देखता।

पर एक दिन किसी बात पर दोनों में कहा-सुनी हो गई। बात बढ़ गई और छोटे भाई ने बड़े भाई के प्रति अपशब्द कह दिए। बस फिर क्या था? दोनों के बीच दरार पड़ ही तो गई। उस दिन से ही दोनों अलग-अलग रहने लगे और कोई किसी से नहीं बोला। कई वर्ष बीत गये। मार्ग में आमने-सामने भी पड़ जाते तो कतराकर दृष्टि बचा जाते, छोटे भाई की कन्या का विवाह आया। उसने सोचा बड़े अंत में बड़े ही हैं, जाकर मना लाना चाहिए।

वह बड़े भाई के पास गया और पैरों में पड़कर पिछली बातों के लिए क्षमा माँगने लगा। बोला अब चलिए और विवाह कार्य संभालिए।

पर बड़ा भाई न पसीजा, चलने से साफ मना कर दिया। छोटे भाई को दुःख हुआ। अब वह इसी चिंता में रहने लगा कि कैसे भाई को मनाकर लाया जाए, इधर विवाह के भी बहुत ही थोड़े दिन रह गये थे। संबंधी आने लगे थे।

किसी ने कहा-उसका बड़ा भाई एक संत के पास नित्य जाता है और उनका कहना भी मानता है। छोटा भाई उन संत के पास पहुँचा और पिछली सारी बात बताते हुए अपनी त्रुटि के लिए क्षमा याचना की तथा गहरा पश्चात्ताप व्यक्त किया और प्रार्थना की कि "आप किसी भी प्रकार मेरे भाई को मेरे यही आने के लिए तैयार कर दे।"

दूसरे दिन जब बड़ा भाई सत्संग में गया तो संत ने पूछा क्या तुम्हारे छोटे भाई के यहाँ कन्या का विवाह है? तुम क्या-क्या काम संभाल रहे हो?

बड़ा भाई बोला- 'मैं विवाह में सम्मिलित नहीं हो रहा। कुछ वर्ष पूर्व मेरे छोटे भाई ने मुझे ऐसे कड़वे वचन कहे थे, जो आज भी मेरे हृदय में काँटे की तरह खटक रहे हैं।' संत जी ने कहा जब सत्संग समाप्त हो जाए तो जरा मुझसे मिलते जाना।' सत्संग समाप्त होने पर वह संत के पास पहुँचा, उन्होंने पूछा- मैंने गत रविवार को जो प्रवचन दिया था उसमें क्या बतलाया था?

बड़ा भाई मौन? कहा कुछ याद नहीं पड़ता कौन सा विषय था?

संत ने कहा - अच्छी तरह याद करके बताओ।

पर प्रयत्न करने पर उसे वह विषय याद न आया।

संत बोले देखो! मेरी बताई हुई अच्छी बात तो तुम्हें आठ दिन भी याद न रही और छोटे भाई के कड़वे बोल जो एक वर्ष पहले कहे गये थे, वे अभी तक हृदय में घूम रहे हैं। जब तुम अच्छी बातों को

याद ही नहीं रख सकते, तब उन्हें जीवन में कैसे उतारोगे और जब

जीवन नहीं सुधारा तब सत्संग में आने का लाभ ही क्या रहा? अतः कल से यहाँ मत आया करो।

अब बड़े भाई की आँखें खुली। अब उसने आत्म-चिंतन किया और देखा कि मैं वास्तव में ही गलत मार्ग पर हूँ। छोटों की बुराई भूल ही जाना चाहिए। इसी में बड़प्पन है।

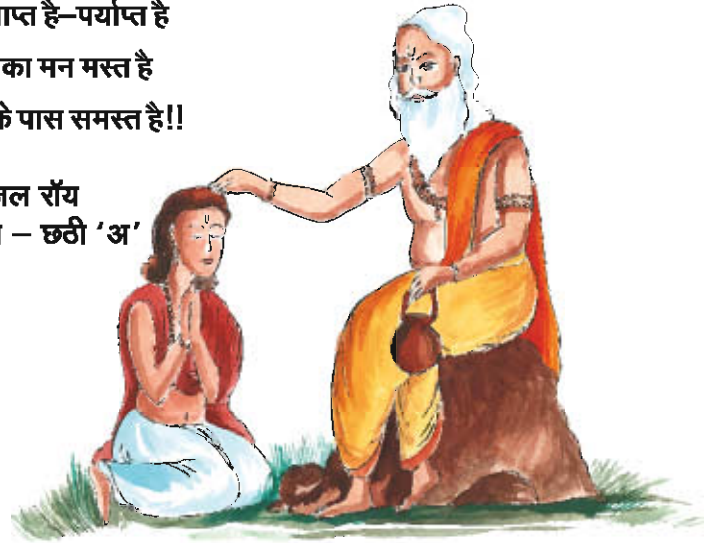

उसने संत के चरणों में सिर नवाते हुए कहा मैं समझ गया गुरुदेव! अभी छोटे भाई के पास जाता हूँ, आज मैंने अपना गंतव्य पा लिया।

लालची व्यापारी

बहुत समय पहले की बात है, एक शोर-शराबे भरे शहर में एक ऐसा व्यापारी था जिसका नाम विक्रम था, जिसे लोग उसकी असीम लालच के लिए जानते थे। विक्रम के जीवन का एकमात्र उद्देश्य धन इकट्ठा करना था और उसने इसे प्राप्त करने के लिए कुछ भी करने का इरादा किया।

एक दिन, एक रहस्यमय बूढ़ा आदमी विक्रम के पास एक प्रस्ताव लेकर आया। बूढ़ा आदमी ने उसे एक जादुई सिक्का दिया और कहा, 'यह सिक्का खुद को हर दिन दोगुना करने की शक्ति रखता है। पर सावधान रहो, क्योंकि अगर तुम्हारी लालच की कोई सीमा नहीं है, तो यह गायब हो जाएगा और तुम्हारा सम्पत्ति नष्ट हो जाएगी।

विक्रम की आंखों में लालच चमक उठा जैसे ही उसने जादुई सिक्का स्वीकार किया। उसके दिल में उत्साह भरा हुआ था जैसे ही उसने कल्पना की कि वह कितना धन इकट्ठा करेगा।

बूढ़े आदमी के वचनों के अनुसार, सिक्का हर दिन अपनी मूल्य को दोगुना करता था। विक्रम की धन की संख्या अनगिनत हो गई, और जल्दी ही वह शहर के सबसे अमीर व्यापारी बन गया। पर उसकी असीम लालच बढ़ती ही जा रही थी। उसे समझ में नहीं आया कि रुकना क्या होता है, क्योंकि वह मानता था कि जितना ज्यादा होगा, उतनी ही खुशी मिलेगी।

दिनेश ने हजार बार तक सिक्का दोगुना होने पर, वह अचानक देखा कि सिक्का हवा में एकदम से गायब हो गया। विक्रम की सारी सम्पत्ति भी उसके साथ हवा में उड़ गई।

विक्रम तबाह और अकेला हो गया, उसने समझा कि उसकी लालच की कीमत क्या है। वही लोग, जो कभी उसकी धन से इर्ष्या करते थे, अब खामोशी से उसको देख रहे थे जब वह गलियों में फिरा करता था, उसकी पूर्व महिमा का केवल एक छाया।

अंत में, विक्रम ने असीम लालच के परिणामों से एक मूल्यवान सीख हासिल की। जादुई सिक्का ने उसे बहुत धन प्रदान किया था, परंतु यह उसकी पतन की ओर बढ़ने का कारण भी बना। एक बार लालच की गद्दी छोड़ी जाने के बाद, वह समझ गया कि वास्तविक खुशी धन में ही नहीं, बल्कि संतोष में है, जो किसी भी सोने या मोती से अधिक मूल्यवान है।

जीवन का महत्व

एक प्रोफेसर अपनी क्लास में कहानी सुना रहे थे, जोकि इस प्रकार है एक बार समुद्र के बीच में एक बड़े जहाज पर बड़ी दुर्घटना हो गयी। कप्तान ने शिप खाली करने का आदेश दिया। जहाज पर एक युवा दम्पति थे। जब लाइफबोट पर चढ़ने का उनका नम्बर आया तो देखा गया नाव पर केवल एक व्यक्ति के लिए ही जगह है। इस मौके पर आदमी ने औरत को धक्का दिया और नाव पर कूद गया।

डूबते हुए जहाज पर खड़ी औरत ने जाते हुए अपने पति से चिल्लाकर एक वाक्य कहा।

अब प्रोफेसर ने रुककर स्टूडेंट्स से पूछा तुम लोगों को क्या लगता है, उस स्त्री ने अपने पति से क्या कहा होगा? ज्यादातर विद्यार्थी फौरन विल्लाये स्त्री ने कहा मैं तुमसे नफरत करती हूँ! I hate you!

प्रोफेसर ने देखा एक स्टूडेंट एकदम शांत बैठा हुआ था, प्रोफेसर ने उससे पूछा कि तुम बताओ तुम्हे क्या लगता है?

वो लड़का बोला मुझे लगता है, औरत ने कहा होगा हमारे बच्चे का ख्याल रखना!

प्रोफेसर को आश्चर्य हुआ, उन्होंने लड़के से पूछा क्या तुमने यह कहानी पहले सुन रखी थी? लड़का बोला— जी नहीं, लेकिन यही बात बीमारी से मरती हुई मेरी माँ ने मेरे पिता से कही थी।

प्रोफेसर ने दुखपूर्वक कहा तुम्हारा उत्तर सही है!

प्रोफेसर ने कहानी आगे बढ़ाई जहाज डूब गया, स्त्री मर गयी, पति किनारे पहुंचा और उसने अपना बाकी जीवन अपनी एकमात्र पुत्री के समुचित लालन-पालन में लगा दिया। कई सालों बाद जब वो व्यक्ति मर गया तो एक दिन सफाई करते हुए उसकी लड़की को अपने पिता की एक डायरी मिली।

डायरी से उसे पता चला कि जिस समय उसके माता-पिता उस जहाज पर सफर कर रहे थे तो उसकी माँ एक जानलेवा बीमारी से ग्रस्त थी और उनके जीवन के कुछ दिन ही शेष थे।

ऐसे कठिन मौके पर उसके पिता ने एक कड़ा निर्णय लिया और लाइफबोट पर कूद गया। उसके पिता ने डायरी में लिखा था तुम्हारे बिना मेरे जीवन को कोई मतलब नहीं, मैं तो तुम्हारे साथ ही समंदर में समा जाना चाहता था। लेकिन अपनी संतान का ख्याल आने पर मुझे तुमको अकेले छोड़कर जाना पड़ा।

जब प्रोफेसर ने कहानी समाप्त की तो, पूरी क्लास में शांति थी।

इस संसार में बहुत सही गलत बातें हैं लेकिन उसके अतिरिक्त भी कई जटिलतायें हैं, जिन्हें समझना आसान नहीं। इसीलिए ऊपरी सतह से देखकर बिना गहराई को जाने—समझे हर परिस्थिति का एकदम सही आकलन नहीं किया जा सकता।

किताबें

टिकटॉक 10 मिनट तक के वीडियो की अनुमति देता है, लेकिन सर्वेक्षणों से पता चलता है कि इसके लगभग आधे उपयोगकर्ता एक मिनट से अधिक लंबी किसी भी चीज से तनावग्रस्त हैं। एक इंस्टाग्राम वीडियो 90 सेकंड तक का हो सकता है, लेकिन विशेषज्ञों का मानना है कि जुड़ाव को अधिकतम करने का आदर्श समय 15 सेकंड से कम है। ट्विटर ने 2017 में ट्वीट्स की लंबाई दोगुनी कर 280 अक्षर कर दी, लेकिन सामान्य लंबाई 33 अक्षर से अधिक है।

छोटी और सनसनीखेज सामग्री में फँस जाना आसान है। लेकिन अगर आप चिंतित हैं कि यह आपके ध्यान को नुकसान पहुंचा सकता है, तो आपको चिंतित होना चाहिए। इस बात के ठोस सबूत हैं कि हमारे ध्यान पर इतनी सारी माँगें हमें और अधिक तनावग्रस्त कर देती हैं, और यह कि अंतहीन सामाजिक तुलना हमें अपने बारे में बुरा महसूस कराती है।

बेहतर मानसिक स्वास्थ्य के लिए किताब पढ़ें।

अध्ययन से पता चलता है कि किताब पढ़ने से कई प्रकार के मनोवैज्ञानिक लाभ होते हैं। कथा साहित्य पढ़ने से एक संबंधित चरित्र के माध्यम से दुनिया को देखने की प्रक्रिया के माध्यम से आपकी सहानुभूति की क्षमता बढ़ सकती है। यह पाया गया है कि पढ़ना भी योग की तरह ही तनाव को प्रभावी ढंग से कम करता है। इसे अवसाद के लिए निर्धारित किया जा रहा है एक उपचार जिसे बिब्लियोथेरेपी के रूप में जाना जाता है।

पुस्तक-पढ़ना भी जिज्ञासा का एक मजबूत संकेतक है Google जैसे नियोक्ताओं द्वारा इसकी सराहना की जाने वाली गुणवत्ता। हमारे शोध से पता चलता है कि पढ़ना जिज्ञासा से उतनी ही मजबूती से जुड़ा है जितना कि विज्ञान में रुचि से, और गणितीय कौशल से भी अधिक मजबूती से।

भावनाओं का समावेश

भावनाओं में बहती हैं जीवन की लड़ियाँ,
समेटे हुए संग जीवन की कड़ियाँ।
भावनाएं हैं अनमोल, जिसमें छिपा है प्रकृति का मोल।
प्रकृति का कण – कण कुछ कहता है,
जो हमारे भावों को शब्द देता है।
शीतल हवा के मदमस्त झोंके,
दिल को प्रफुल्लित करते हैं।
वृक्ष, नदियाँ, पर्वत, बादल और सागर,
हम सबको भरपूर खुशियाँ देते हैं।
मानवीय भावनाएं जीवन का सार बताती हैं,
अपनेपन और ताजगी का हरपल एहसास कराती हैं।
यदि है जीवन में सामंजस्यता का भाव,
न होगा तनाव न होगा दुराव।

श्लोकः

क्षणशः कणशश्चौव विद्यामर्थं च साधयेत्।

क्षणे नष्टे कुतो विद्या कणे नष्टे कुतो धनम्॥

अर्थात्— एक एक क्षण गवाये बिना विद्या ग्रहण करनी चाहिए और एक एक कण बचा करके धन ईकट्टा करना चाहिए। क्षण गवाने वाले को विद्या कहाँ और कण को क्षुद्र समझने वाले को धन कहाँ ?

हास्य

संस्कृत

पतिः— हरिओम् भोजने किम् अस्ति अद्य?

पत्नी— विषम

पतिः— अहं विलम्बेन आगमिष्यामि त्वं खादित्वा शयनं करोतु।

हिंदी

पति— हरिओम, आज खाने में क्या है?

पत्नी— जहर

पति— मुझे देर हो जाएगी, तुम खाना खा लो और सो जाओ।

संस्कृत

कवेः पत्नी निद्राधीना आसीत्।

तस्याः पादस्य समीपं एकः सर्पः उपविशन् आसीत्।

कविः— दशतु दशतु। शीघ्रं दशतु।

सर्पः— गच्छ, मूर्ख! चरणवन्दनां कुर्वन् अस्मि। एषा अस्माकं कुलदेवी अस्ति!!!

हिंदी

कवि की पत्नी सो रही थी।

उसके पैर के पास एक साँप बैठा हुआ था।

कवि— डस, डस। जल्दी बताओ।—

साँप— हट जाओ मूर्ख! मैं आपके चरणों में प्रणाम कर रहा हूँ। ये हमारी कुल देवी हैं!!!

जलम् एव जीवनम्

जलम् एव जीवनम् इति उक्त्यनुसारम्

अस्माकम् जीवने जलस्य आवश्यकता वर्तते। जीवनाय जलम् आवश्यकम् वर्तते। तृष्णायां सत्यां जलेन एव निवारणं भवति। पृथ्वीयां जीवानं कृते आवश्यकं तत्वम् अस्ति जलम्। अस्माकम् सौभाग्यं अस्ति यत् पृथिवी जलीयरू ग्रहरू वर्तते। जलम् सौरमंडलम् दुर्लभं वर्तते। अन्यत्र कुत्रापि जलम् नास्ति। पृथिव्यां जलम् पर्याप्तम् अस्ति। अतः पृथिवी नीलग्रहरू इति उच्यते। जलम् नियंतरम्

स्वरूपं परिवर्तते। सूरस्य तापेन वाष्पस्यस्वरूपं, शीतले सति सङ्घनीकरणे मेघस्वरूपं, वर्षा माध्यमेन जलस्वरूपं धरति। अतः वयम् जलं विवेकपूर्वकं प्रयोगरू क्रियते।

श्लोक

नास्ति मातृसमा छाया
नास्ति मातृसमा गतिः।
नास्ति मातृसमं त्राणं
नास्ति मातृसमा प्रपाम

माता के समान कोई छाया नहीं, कोई आश्रय नहीं, कोई सुरक्षा नहीं। माता के समान इस विश्व में कोई जीवनदाता नहीं।।

षष्ठ - ब

मम माता:

माँ, माँ त्वम् संसारस्य अनुपम् उपहार,
न त्वया सघ्न्य कस्याः स्नेहम्,
करुणा-ममतायाः त्वम् मूर्ति,
न कोऽपि कर्तुम् शक्नोति तव क्षतिपूर्ति।
तव चरणयोः मम जीवनम् अस्ति,
'माँ' शब्दस्य महिमा अपार,
न माँ सघ्न्य कस्याः प्यार,
माँ त्वम् संसारस्य अनुपम् उपहार।
